Getting Back To BASICS

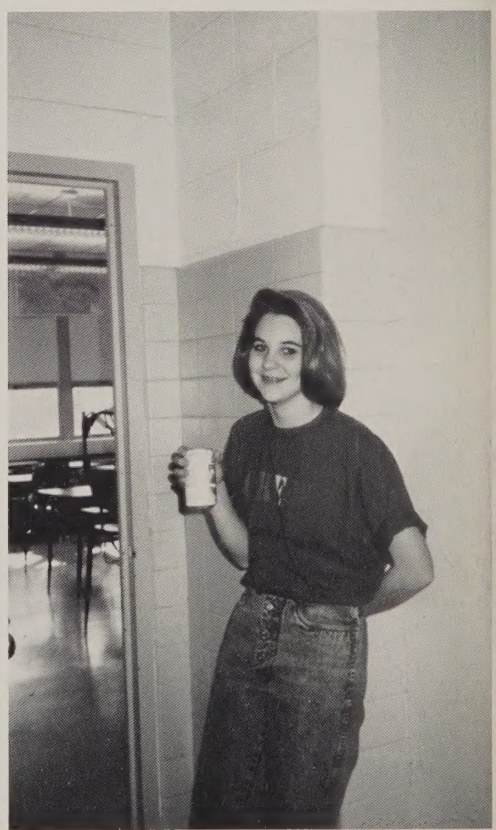
Meeting a challenge requires a little brain power. Kathy Johnstone strives for excellence by accomplishing a Physics problem set.

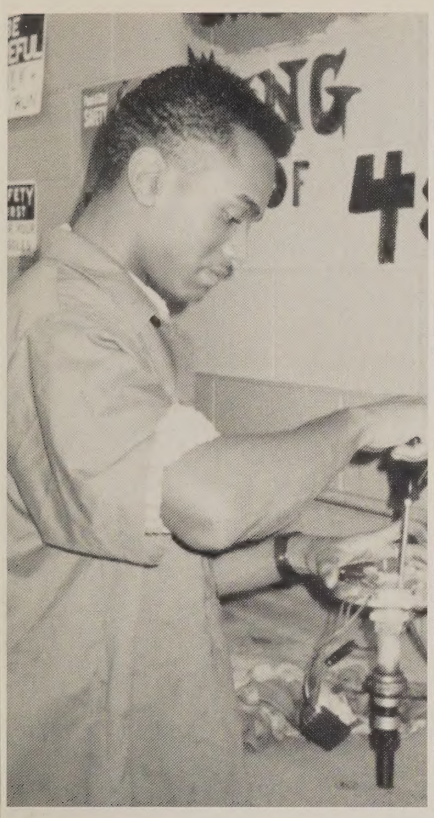
Art is a form of escape. Students in Mrs Whitlock's class used their imaginations and decorated the ceiling with style and creativity.

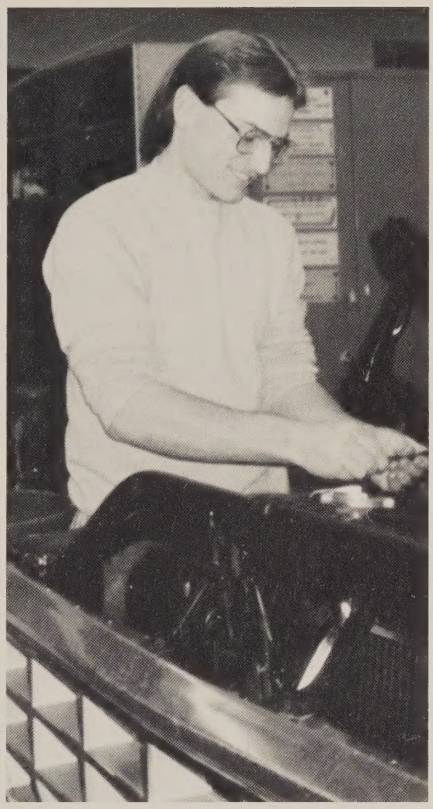
A way to express yourself if through the sound of music. Band students perform their piece with grace and dignity.

Laughter is the best medicine. Daniele Beahm and her childish buddy enjoy a laugh while pretending to be a bunny rabbit.

A typical outfit among high school students is jeans and a tee shirt. Rebecca Slagle sports her chosen tee shirt while sipping on a Diet Pepsi.

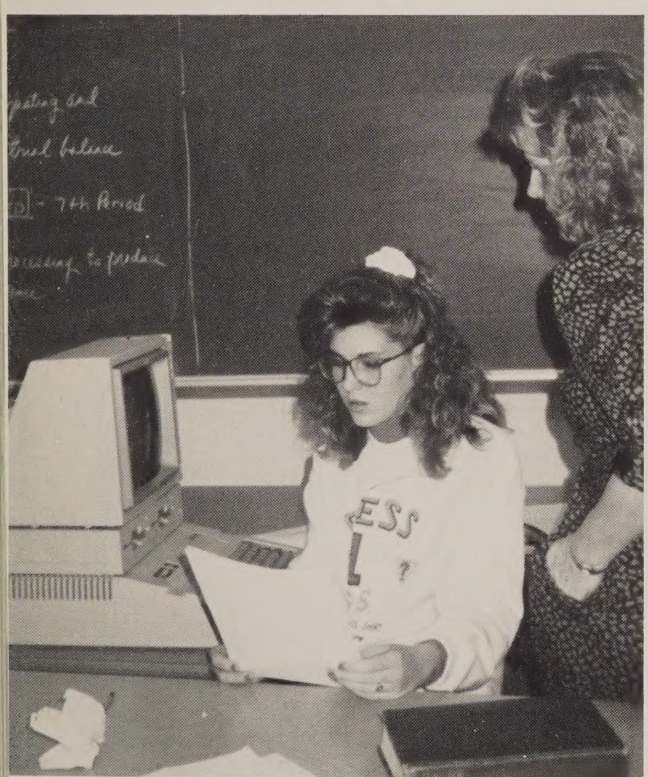


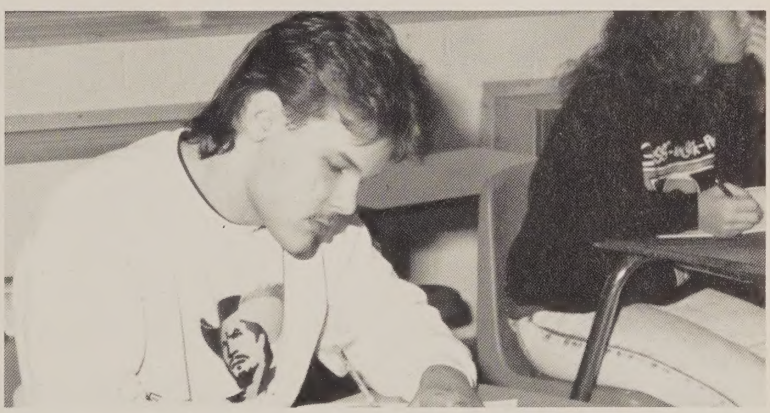




There is really no way to define a basic student. Everyone is unique in their own way. The basic needs of today's youth are food, fashionable clothing, and money. Many students have the desire to succeed. High school prepares youth for the "real" world. Vocational classes help with the training students need in order to enter the work force upon high school graduation. They also encourage students to go to a trade school or possibly a technical school. Advanced Placement courses prepare college bound students for the long road ahead of them. The typical classes like social studies, math, English, and science help students to achieve their goals with the expectations of college or other chosen goals they have set for themselves. High school offers a lot to many individuals. There is a wide variety of classes to choose from and also many sports. Hopewell High School is a school with a lot of pride and spirit. As the Burger King commercials say, "Sometimes breaking the rules means staying in school." Good luck in the future.

— Ruthie Harris





A mechanical know how is essential in today's high-tech world. Nathaniel Hart prepares for the outside world.

What are you going to do if your automobile should break down? Chris English prepares for the problem by learning how to fix a car in auto mechanics.

A basic essential for writing reports is typing. Tonya Steele prepares a report with the help of her teacher, Mrs. Stallings.

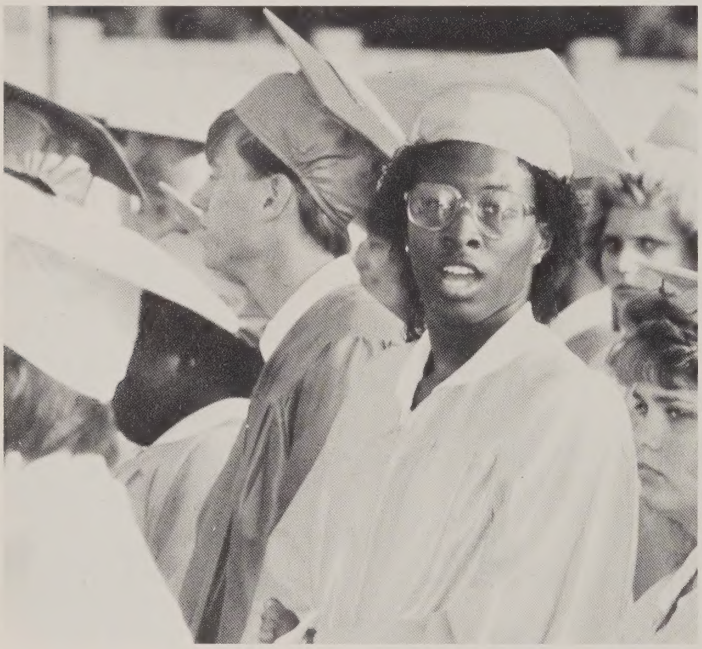
Test taking is a task no one want to face. Kris Daniels sits in the proper test taking position; pencil in hand and eyes on your paper.

Basically A Well-Rounded Student

one moment in time

It's overwhelming to think that all of a sudden on one certain day four years of hard work and dedication is over. The Class of 1990 found that out on June 13, 1990 as seniors stepped up on stage to receive their diploma. For many of them it brought happiness as well as tears to think that now everyone would be going in separate directions. The speakers who spoke to their class reminded them of the first day of school as a freshman to the day when they would finally close the book of the Class of 1990. The Class of 1990 had four wonderful years that they will cherish forever!

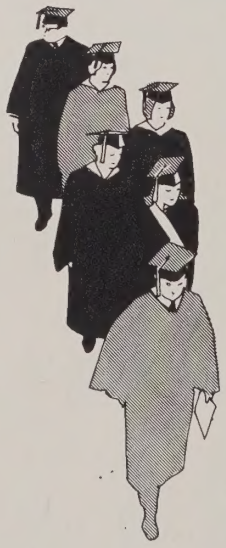
Amy S. Butterworth



Lori Lucas is spotted before her name is called to say goodbye to HHS.

Seniors eagerly await their chance to walk across the stage to end their high school career.

Krystal King, Mary Kay McFain, Janel Foxworth, and Jennifer Crawford speak to their class as they reflect on the past four years together and the road that lies ahead.



These are the Best of times . . .

As May 12, 1990 finally came, members of the Jr. Class arrived at the Fort Lee Officers Club to set the theme for the memories that would be made later that night. A few hours later and after a lot of work the 1990 Prom was underway. The theme "These are the Best of Times" proved to be true. As everyone showed up in their beautiful dresses and tuxedos the ballroom was filled with excitement. One of the most memorable moments was when Leon Gholson and Shelby Washington were crowned Prom King and Queen. Everyone who was there will remember all the special feelings of the 1990 Prom.

Amy S. Butterworth

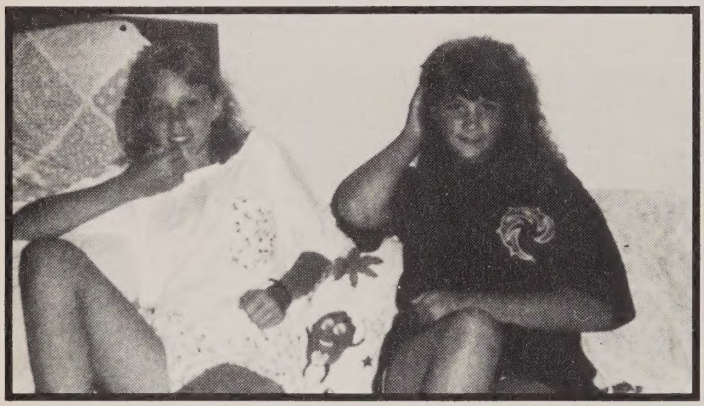
Mrs. Whitlock shows her joy of the night as she crowns Leon Gholson and Shelby Washington Prom King and Queen.

Everyone is decked out in their very best as they form the Junior/Senior Circle.

Jennifer Pierce, Riley Ingram, Wade Thayer, Stacey Nix are all smiles as the night goes on.

Ruthie Bennett looks to the stars as she is overwhelmed by the magic of the night.

SUMMER 1990

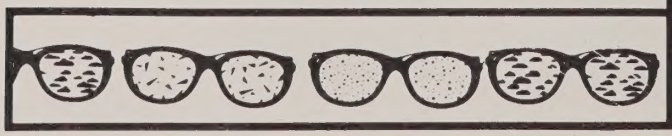


The summer heat can be quite exhausting while at cheerleading camp. J.V. and Varsity Cheerleaders take a break from the day's activities.

After a long day of being full of spirit, a little time for resting is a necessity. Sunny Holland and Michelle Harris relax after a day at the battle of the squads.

On a hot day, one loves the taste of a soft drink. Angela Miller, Pennie Lane, and Stefanie Riddle take a break from summer tanning to get a cold drink.

Taking a swim is always a good way to cool down. Ben Owen, Scott Grigsby, and Billy Frazier dry off after a long and hearty swim.



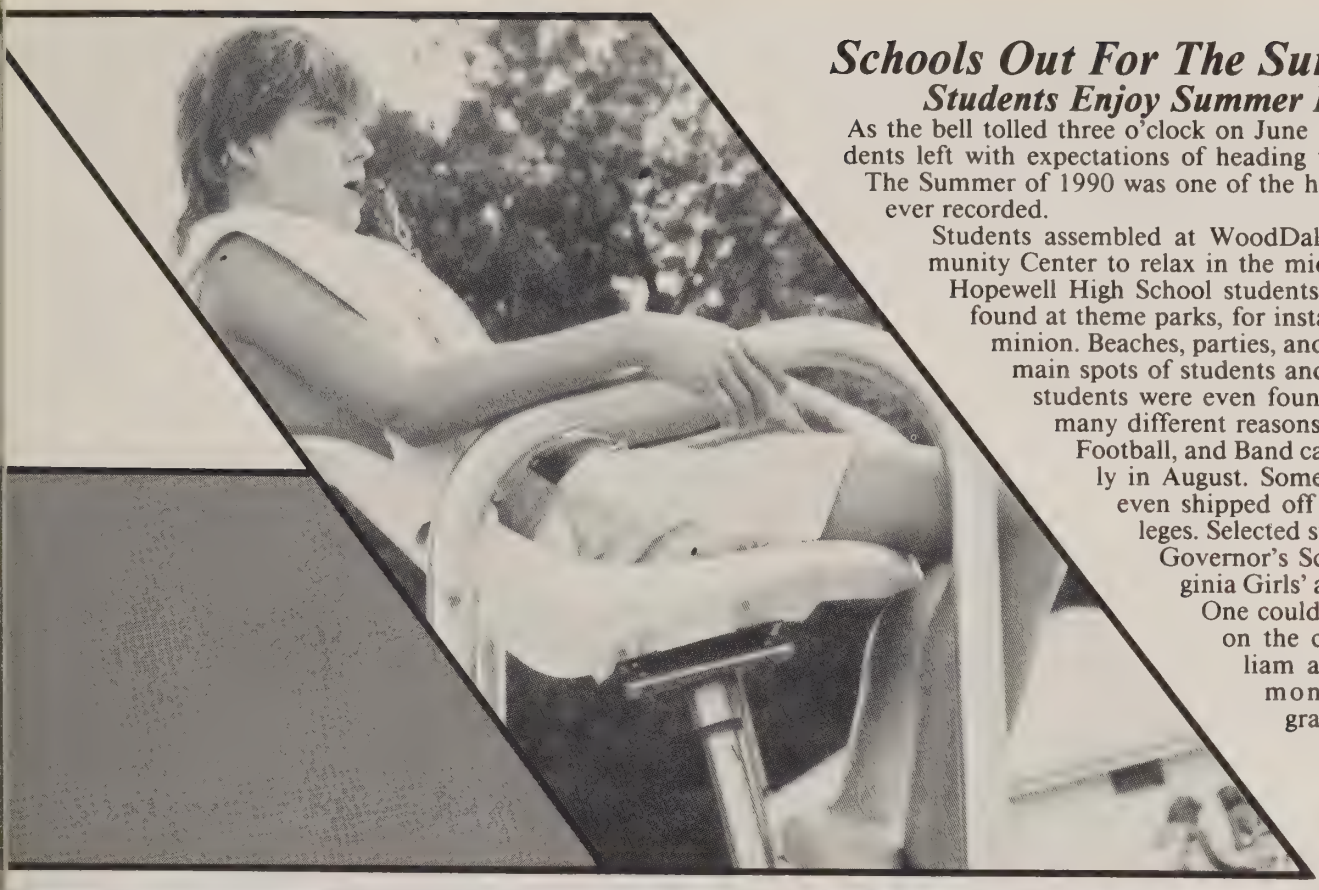
Schools Out For The Summer!!

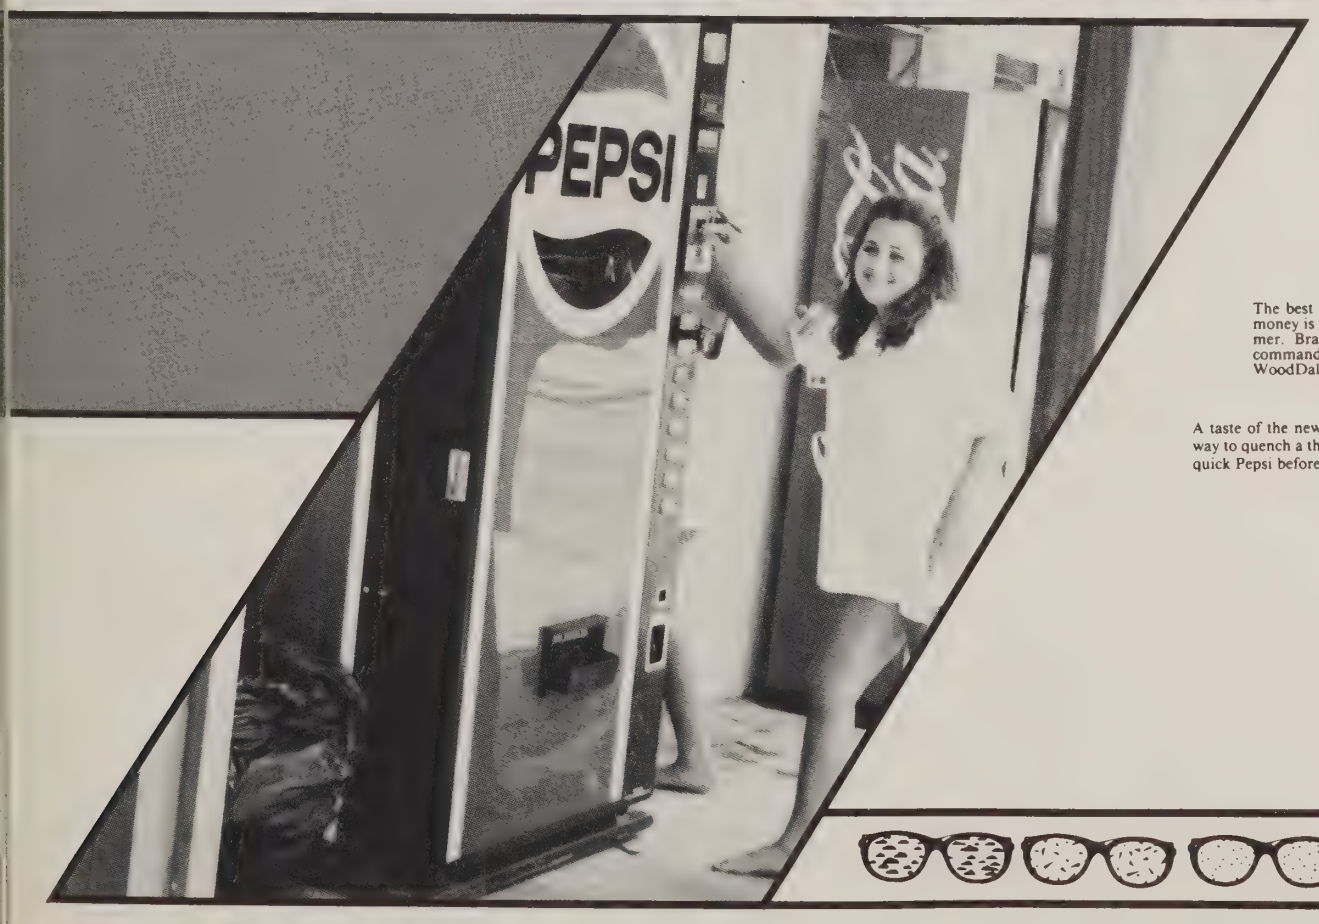
Students Enjoy Summer Fun

As the bell tolled three o'clock on June 12th, 1990 students left with expectations of heading to the beaches. The Summer of 1990 was one of the hottest summers ever recorded.

Students assembled at WoodDale or the Community Center to relax in the midst of the pool. Hopewell High School students could even be found at theme parks, for instance Kings Dominion. Beaches, parties, and pools were the main spots of students and faculty. Some students were even found at school for many different reasons. Cheerleading, Football, and Band camps began early in August. Some students were even shipped off to various colleges. Selected students went to Governor's Schools and Virginia Girls' and Boys' State. One could even be found on the campus of William and Mary for a month long program called STEP.

— Ruthie Harris





The best way to earn a little extra money is to lifeguard over the summer. Brandon Trail sits high in command as lifeguard on duty at WoodDale Swim Club.

A taste of the new generation is the perfect way to quench a thirst. Angela Miller grabs a quick Pepsi before returning to the pool.

A World in Motion

Homecoming — Another Tradition?

"Good morning Channel One!!" Tradition was broken with an abbreviated homecoming spirit week. With no school on Monday, students kicked off the week with a blast. Tuesday came with the dread of going back to school. Cameras filled the halls for Channel One/Camera Day. Wednesday brought "nerds" out of the closet and into the halls of Hopewell High School. "Signs up, Spirit up?" Thursday found signs up from the Class of 1991 to the Class of 1994. Along with Friday anticipation came high spirits and high ambitions to beat those Dinwiddie Generals. The week ended with a pep rally where the Class of 1991 walked away with the spirit stick. The spirit stick was given to the class who bought the most spirit links. The Senior class bought over 3,000 spirit links, raising over $750 for the Humane Society. From "Good morning Channel One!" to "Alright, Stop! Collaborate and Listen!" Homecoming 1990 was more than just another tradition.

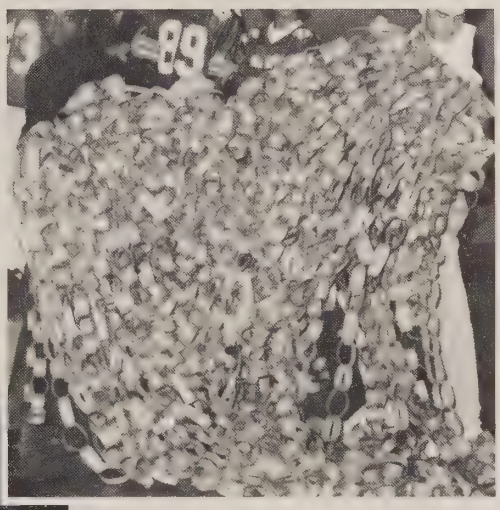
— Ruthie Harris

Homecoming is always a night of anticipation. Jackie Pelham, Evelyn Cruz, and Pat Epps are all smiles after being named "Queens" of the court.

Who ever said being "nerdy" wasn't cool? Homecoming spirit week brought nerds out of the closet, but into Mr. Seaman's class on Nerd Day.

Excitement and plastic footballs fill the air as the homecoming parade gets under way. The varsity cheerleaders wait anxiously for the crowd to "spaz out" over flying footballs.

Homecoming



Everyone loves a waving beauty. Regina Mays, Amy Powroznik, and Tisha Thomas display the perfect wave.

Getting up in front of an audience of peers is always hard. Jason Averett, SCA President, shows his speaking ability as he presides over the homecoming pep rally against Dinwiddie.

It takes a great deal of work and preparation to build a successful float. Seniors exhibit enthusiasm and pride while riding the roller coaster of life.

Spirit links is a traditional part of homecoming. The Class of 1991 helped to raise over $750 for the Humane Society with the purchase of 3,000 plus spirit links.

The Sophomore class should be proud of their pretty representatives. Cruisin' the field are Natalie Altman, Crystal Bell, and Stefanie Riddle.

High school is always full of surprises for Freshmen. Tasha Brown, Kendra Jarvis, and Francine Ingargiola are filled with energy after being chosen to represent the Freshman class on the Homecoming court.

A WORLD IN MOTION

The beat of the music is sometimes catchy. Pennie Lane feels the rhythm of the night.

Freshmen always enjoy their first high school formal. Freshmen Rebecca Slagle appears to be enjoying the excitement of the homecoming dance.

Fashion is always an important factor when preparing for a dance. Sheila Stallings shows off her chosen apparel.

A New Tradition

Homecoming Dance A Hit

Tradition — the handing down of information, beliefs, and customs by word of mouth by example from one generation to another without written instruction. The Homecoming Dance has become a new tradition at Hopewell High School. For the first time in a long while, the SCA sponsored a dance with the theme "A World In Motion." The dance was semi-formal and the date was October 27, 1990. A stepping stone towards a tradition. POW!!! A tradition of the 90's has been created. Keep the tradition alive year after year. The Homecoming Dance of 1990 was most definitely a hit.

— Ruthie Harris

An officer's job is never done. Two of Hopewell's cops supervise the Homecoming Dance while students dance the night away.

A friendship can last a lifetime. Lori Taylor, Crissy O'Rourke, and Maggie Seaberg spend an evening chatting with one another.

A requirement to every dance is to be with someone special. Tisha Thomas and her date sit and enjoy the sounds of the night.

Dancing can influence the way you feel. Matt Jackson expresses himself by getting into the groove.

Basically Beautiful

MISS SOPHOMORE SWEETHEART AMY POWROZNICK and date Brad Williams dance after her Valentine coronation. Of that night Amy said, "I couldn't stop smiling. It was a really good feeling to know that my class had voted for me."

MISS HHS 1990 TANYA MCBRIDE reigns with smiles. She reminisced, "The night I was crowned Miss Hopewell High School was a night that was filled with unexplainable excitement."

CLASS OF 1991 SPONSOR CAROLYN WHITLOCK AND REGINA PATTEN prepare for the big night of Miss HHS. Mrs. Whitlock, the chairperson of last year's event, commented, "The contest is more than a fundraiser. It is a time to share, to encourage, and draw friends closer together."

1990 HOMECOMING QUEEN EVELYN CRUZ

How did Evelyn feel the night she won Homecoming Queen? She said, "I was overwhelmed with joy! I have never been so excited in my life . . . I just felt like jumping!" Her enthusiasm was apparent. Sharing that enthusiasm was first runner-up Patricia Epps and second runner-up Jackie Pelham.

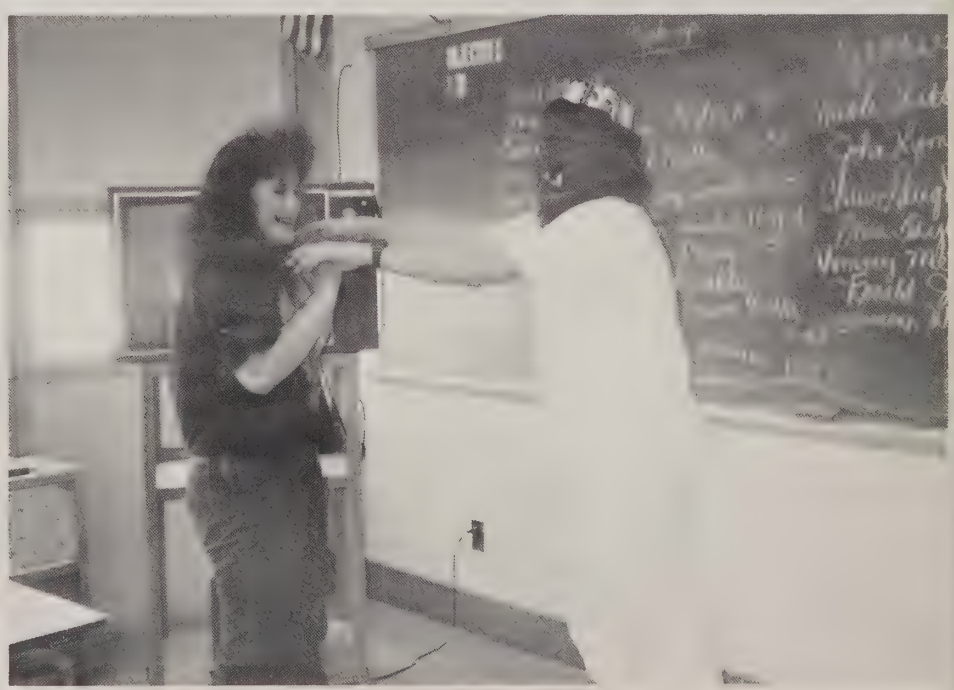
SENIOR HOMECOMING COURT Evelyn Cruz, Pennie Lane, Jenny Pierce, Susan Stallings, Mary Ginny Slagle, Jackie Pelham, Tanya McBride, and Patricia Epps.

Did I scare ya?

On Halloween some people's true colors come out. Gayle Keith certainly is no witch (or is she?).

Even a vampire must know her U.S. History. Victoria Warren shows the needed curriculum for a vampire.

Watch out for those fuzzy creatures! Cindy Gill defends herself against Marcus Ackerman.



HHS Halloween 1990

Some people do have identity crises. Jody Hudson shows us his other personality.

Do you ever feel like you just want to stay in your PJ's all day? Well, Tanya Coleman had her blanket, PJ's and bear. All that's missing is her bed.

Here's a weird group of Halloween folks. Robyn Moore, Stephanie Miller, Crissy O'Roarke (THE DINOSAUR), Regina Rice, and Shannon Lively.

I don't think this bum has a beggar's license but she has Raggedy Ann for a friend. Jessica Sulc and Rhonda Kern show that everyone has a friend even if they are different.

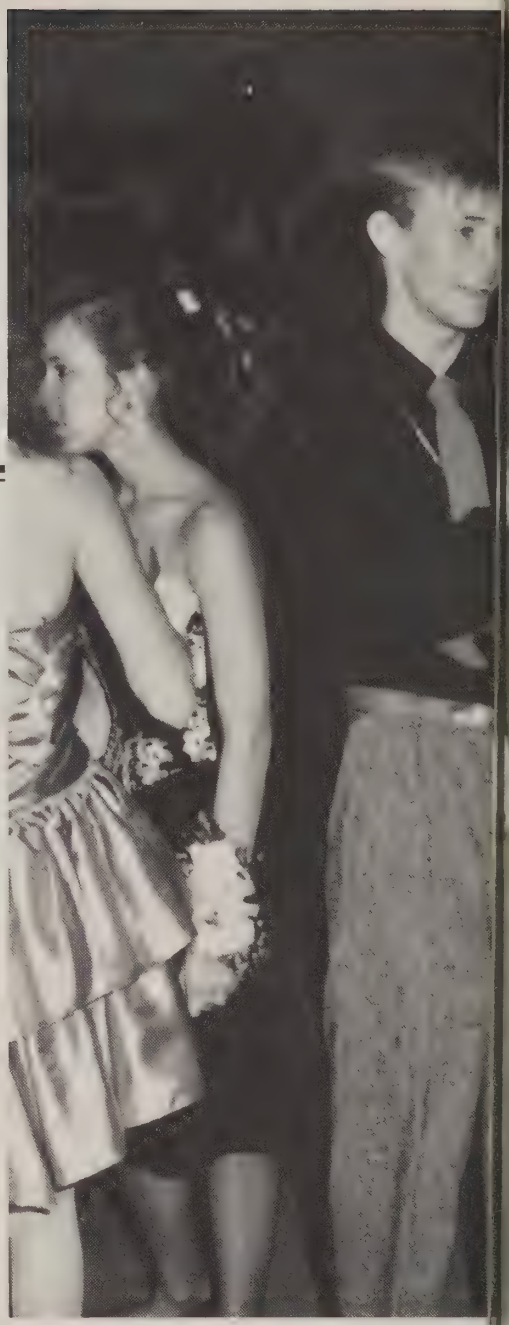
A WINTER DANCE

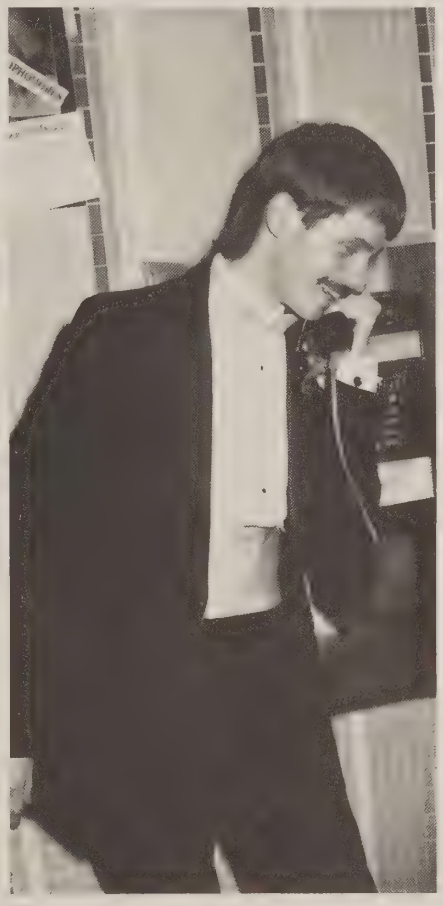
Hearts melted the night of the Freshman Winter Dance last March 1990. The chill of the air outside did not freeze the dance floor. Class president Shannon Royster danced with every girl there and even twirled the floor with a chair. Others, like Alison Grise, ordered keepsake pictures from Lifetouch. Miss Sprague and date Roy Gilmore joined Travolta Royster to groove.



Mike Johnson pledged his love to Sheila Stalling while Audrey Sears took a break with Jo Rae Hash

ıd Larry Walker.

Sarah Blackmon and Bill Beeson waltz under the stars.



Brian Hartsell, junior, makes a friendly phone call.

Patrick Stanford and his beautiful date show everyone how it's done.

The sophomore float is always a wonder to behold. Laura Kazebeer, Shannon Royster, and Jennifer Anderson hope to demote the Dinwiddie Generals.

BRINGING DOWN THE HOUSE

Not many young high school bands get past the dream of being famous musicians. However, one band at Hopewell High is doing something about making their dreams come true. Chris Booth, Mike Lyman, and HHS graduate Ray Edwards have established themselves as Seraphim. Chris plays the guitar and sings, Mike plays the drums, and Ray handles the bass guitar. Together, they have been circulating the VCU Fan area playing at local clubs. Mike Lyman says playing a show is one of his greatest thrills. Chris Booth explains that Seraphim is "about society. Whether our lyrics are forward or not, we like to sing about important issues like racism, drug abuse, religion, and war." Soon you might be able to hear the band on the radio. They have planned a demo release.

As for other aspiring musicians waiting to break into the public eye, Mike advises: "Practice a lot!"

You have probably seen DeJuan Daniels around the halls, but he has not seen you. DeJuan is blind. Yet, he is not any different than the average freshman.

When asked, "How is your freshman year going so far?" DeJuan replied, "Oh, half and half. I like the women." He is your typical guy full of personality.

Originally, DeJuan is a Petersburg resident. Last year he attended Peabody Middle School. However, he has already learned his way around our Blue Devil halls. How does he do it? DeJuan says it is his good memory. Most people understand when he bumps into them accidentally, except maybe one day a custodian in the English and social studies hall. As DeJuan puts it, "I bumped into a ladder with a custodian on it and caused him to drop a fluorescent light." Of course, seeing students in a hurry during the change of classes could do that, too.

DeJuan aspires to be a lawyer. His education depends on that goal. He learns his daily lessons with the help of resource teacher Miss Karen Bartle. He takes notes in braille or learns by listening. His auditory listening skills are exceptional.

So, if you ever see DeJuan in the halls or catch him in your classes, say hello. He will talk to you just like your best friend and leave you with his famous good-bye "see ya!"

The ninth grade English classes of Miss Smith, Mrs. White, and Mrs. Rhodes undertook a letter writing project this year for the soldiers of Desert Shield. Miss Smith initiated the project in September in order to help keep the solders' morale uplifted. Several letters were sent to Saudi Arabia. Surprisingly, a few students received replies from the overseas soldiers. Melissa Rice received a letter from her soldier in mid-October. She wrote him back and has established a pen pal relationship with him.

Melissa says, "I like having a soldier for a pen pal because then you can really know what is going on there and not just what other people are saying. He answers all my questions and I am really glad to have a soldier for a pen pal."

Melissa and her fellow classmates posed with their packets of letters before mailing them.

A GOVERNOR VISITS

Meeting political leaders is always interesting. The Honorable Gerald L. Baliles greets people at a reception in his honor while Jerrell Sober watches.

The Honorable Gerald L. Baliles, former governor of Virginia, visited Hopewell High School August 28 during preschool week. He came to speak to teachers about how we can "link Virginia with the world." Mr. Baliles has been an advocate of international education since he was governor. Many local dignitaries attended Mr. Baliles' presentation including Dr. Steven Ballowe, Dr. Jane McCullen, the Honorable Riley Ingram, the Honorable Ronald Caricofe, the Honorable Robert Moore, members of our school board, and members of our city council. After Mr. Baliles spoke, teachers joined him for an international lunch. The theme of international education has been carried over into the school year. The flags of various countries in our cafeteria represent the fact Virginia is a part of a large world.

A glass of orange juice is a great way to start the day. The Honorable Gerald L. Baliles and Dr. Jane McCullen chat while Linda Hyslop listens.

The Hopewell City School Board is made up of Linda K. Hedgepeth, Juanita Chambers, Michael L. Mahaney, CHAIRMAN Ronald L. Caricofe, and VICE-CHAIRMAN Robert G. Moore.

Superintendent Dr. Steven E. Ballowe speaks to Hopewell High School faculty and staff in the auditorium.

Assistant Superintendent Dr. Jane R. McCullen takes time off from work to pose for a picture.

Dr. Ballowe pauses from hard work long enough to smile for a quick picture.

Outstanding . . .

Coach Bill Littlepage, who has been a coach for 32 years, 27 of them with Hopewell High School, was inducted into the Virginia High School League Hall of Fame on October 17, 1990 at the Omni Hotel in Charlottesville, VA. When asked about the award, he said, "It was one of the top honors that any high school coach can achieve."

Some of the other accomplishments he has made are the number of championships won, the milestone of winning over 450 games, being the only high school coach selected to coach in the U.S. Olympic Festival, and being the past president of the State Coaches Association.

Robyn Moore

Being selected "Hopewell's Teacher of the Year" has made me acutely aware of the special people in my life — parents, former teachers, colleagues, and students, that helped me receive this recognition. Hopewell High School has been good to me. It has given me preparation for college, my sweetheart and husband, and finally a rewarding career. Most of all I feel gratitude.

With the honor has come many happy surprises. As teacher of the year I feel a renewed commitment and love for my students and the teaching profession.

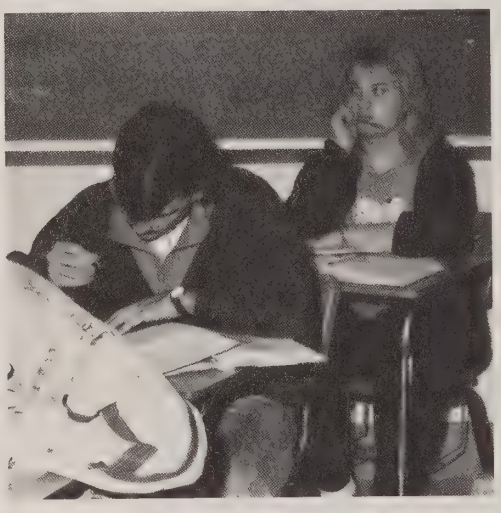
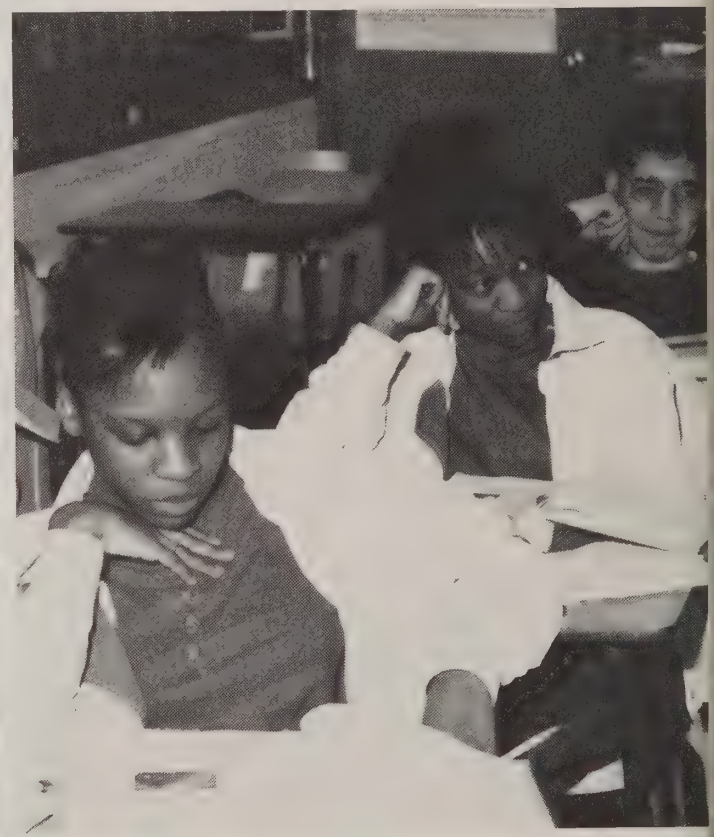
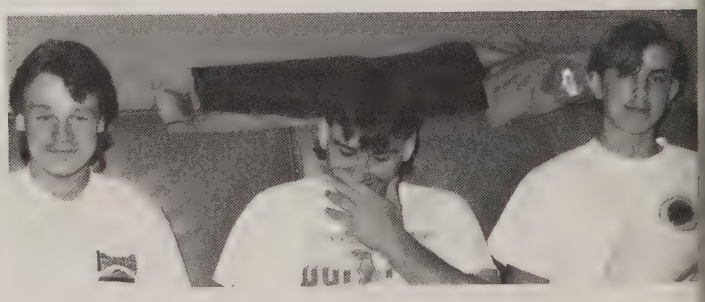
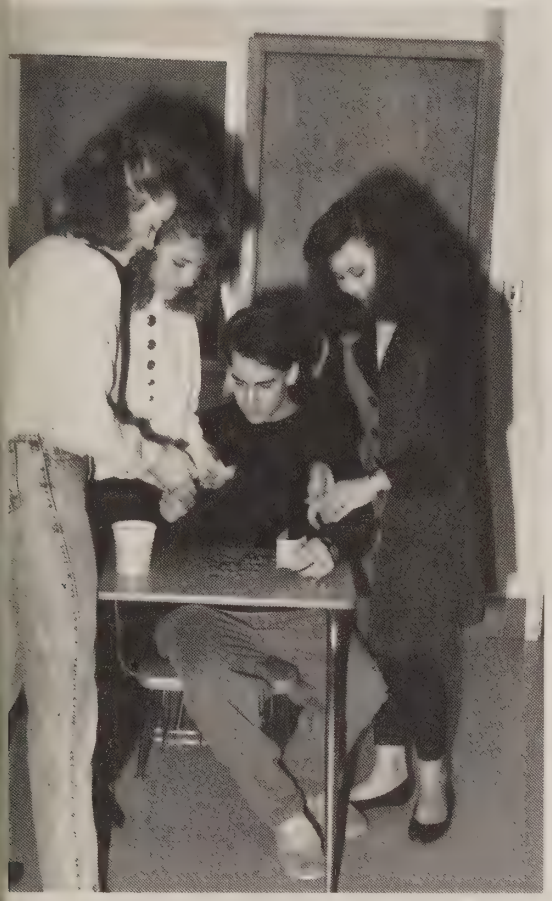
GETTING BACK

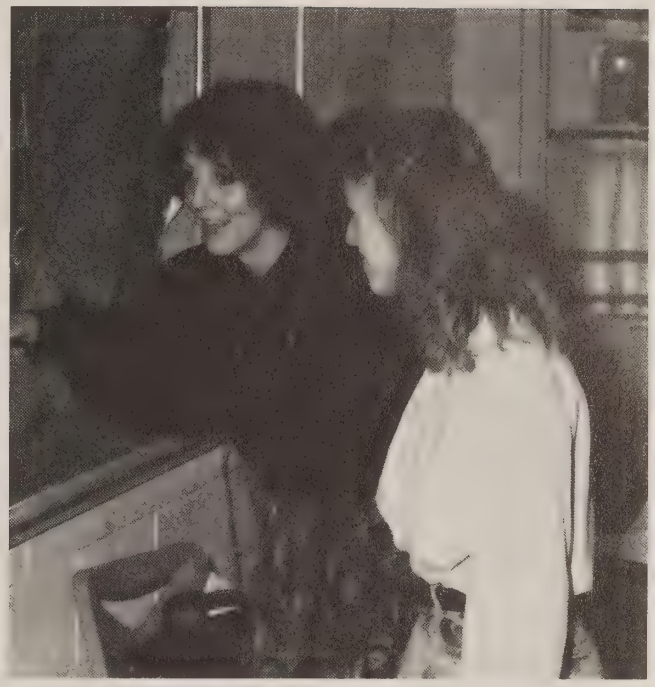


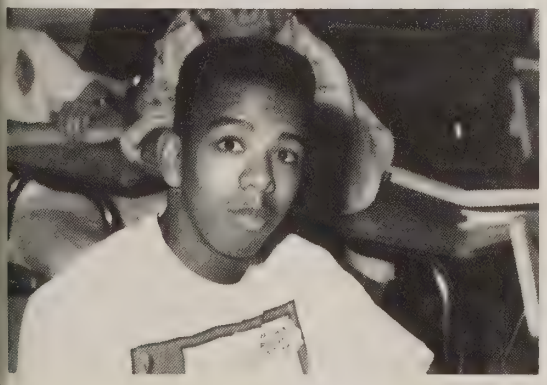




TO BASICS!!!

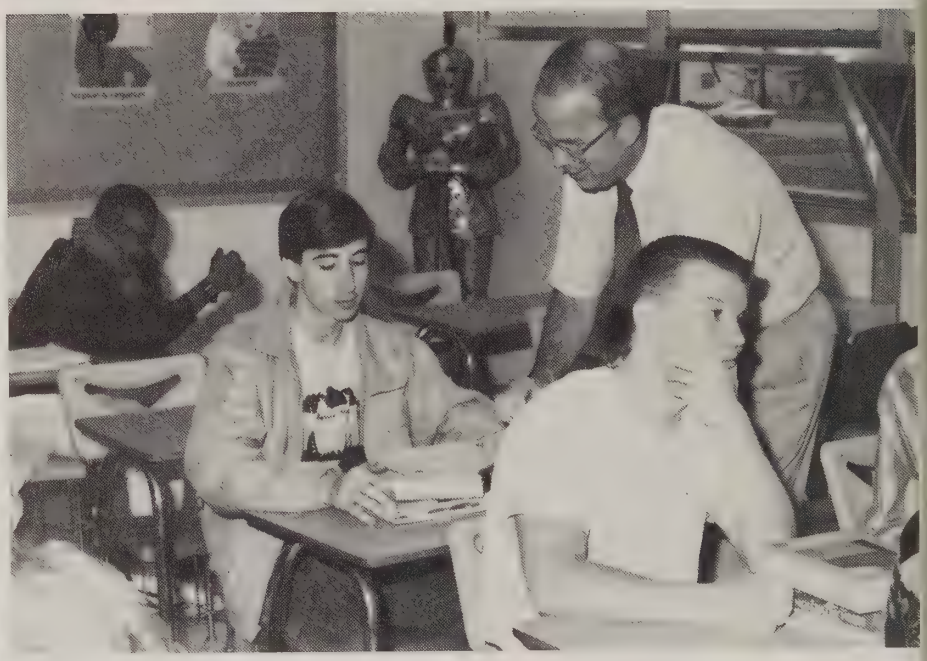






GRAMMAR

Mr. Nichols shows Bobby Legett how to open a book while Joe Kuhns tries to be nonchalant about getting his picture taken.



After Danielle Bridgeforth tried unsuccessfully to get into Mrs. Lee's room with a paperclip, Mrs. Lee tries to get the door open with her key.

Mrs. Lee explains to Natasha Leggett how to do her work as Stephen McGuire looks on.

COMPOSITION

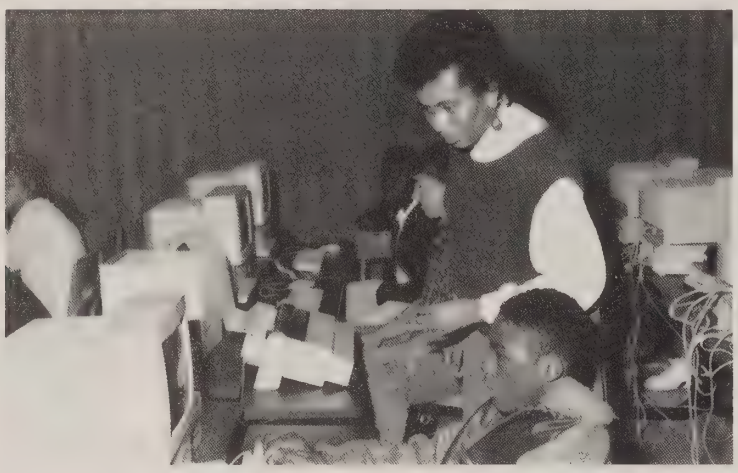
Some people in Mrs. Rhodes class look like they don't mind us interrupting their learning time, while others look as if they do.

Mrs. Bond gives Seth Dye his work back (notice the forced smile?).

Mrs. Pleasant praises Andy Casey for his superb work in AP English 11.

Mrs. Strongin's class shows coordination in being able to pass papers to each other.

Math don't leave home without it

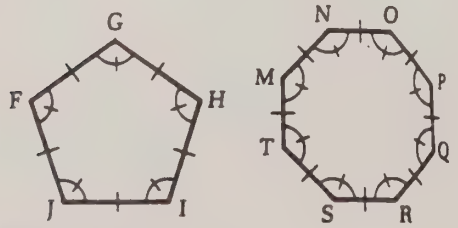


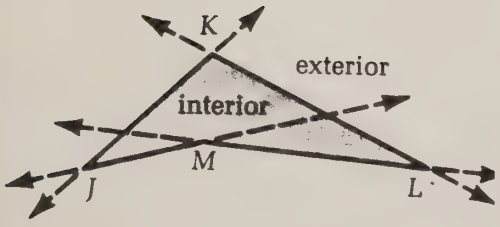
Mrs. Walden helps her student with their computer problems.

"Computer Math with Mr. Jones can be fun." says Robyn Moore, pecking away at the keyboard.

One of Hopewell's newest teachers helps out Laura Lane with her work.

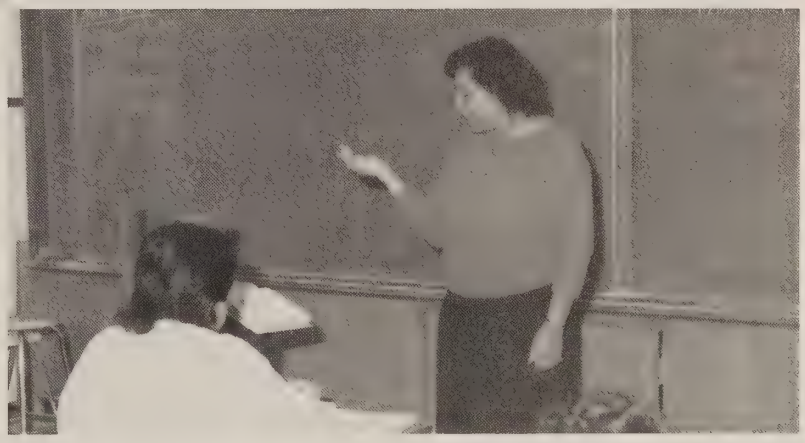
Manny Craighead helps Ms. McClide teach the class.



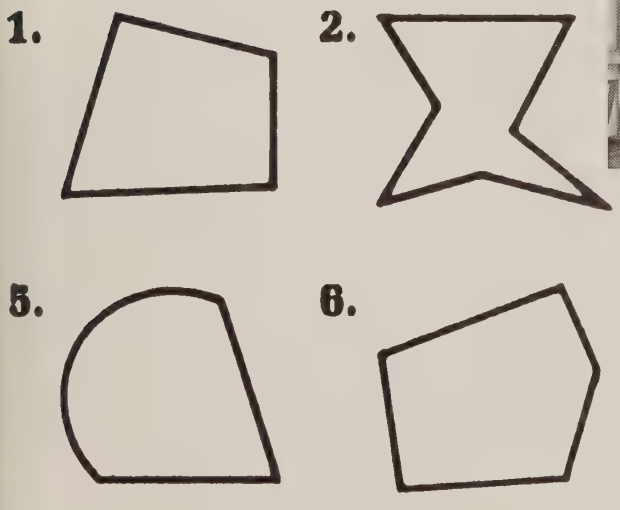


Mrs. Harkrader happily points out the properties of Geometry, as Mandy Sprague attentively looks on.

Mr. Jones has a discussion in class on how to use the computers to work out their problems.

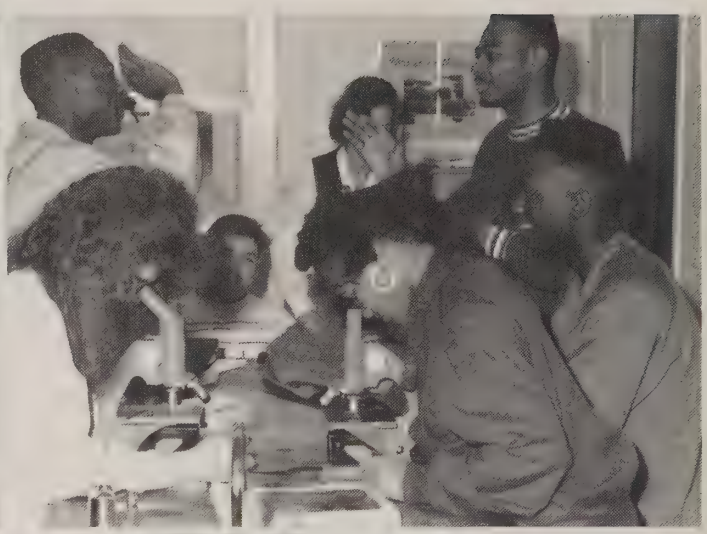


Mrs. Archie shows her class how to work out the review problems for their up coming exams.



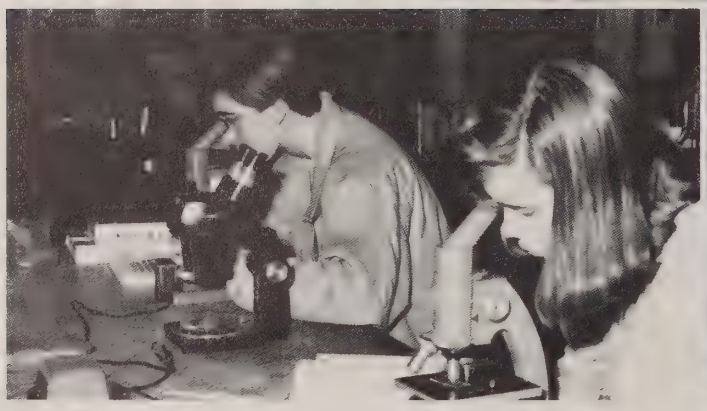
What do you see?

Working in the Biology lab, Seth Dye and Gwynn Tucker share the responsibility of being partners.



Mrs. Campfield's 5th period class enjoys looking through the microscope.

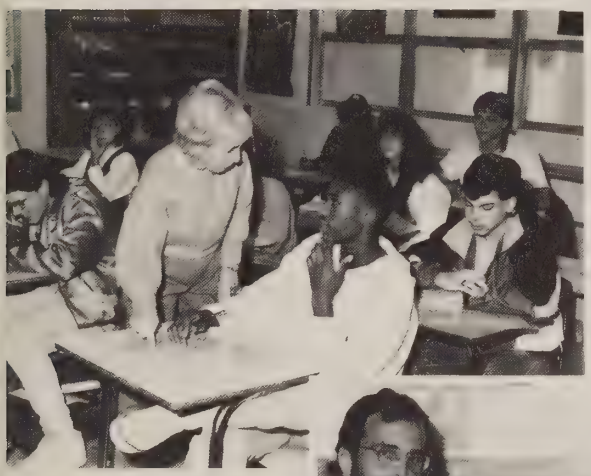
Rusty Horne looks through a microscope for a living amoeba.



Studious work pays off in the end, as Anne Marie Nye and Bobby Leggett peer into the microscope of life.

John Lyman studies his slide under the microscope, hoping to find something living.

Working Together



Hassan Flowers gets some pointers on the periodic chart as Jennifer McFain, Jody Hudson, and Andrew Furbush show those pearly whites for the camera.

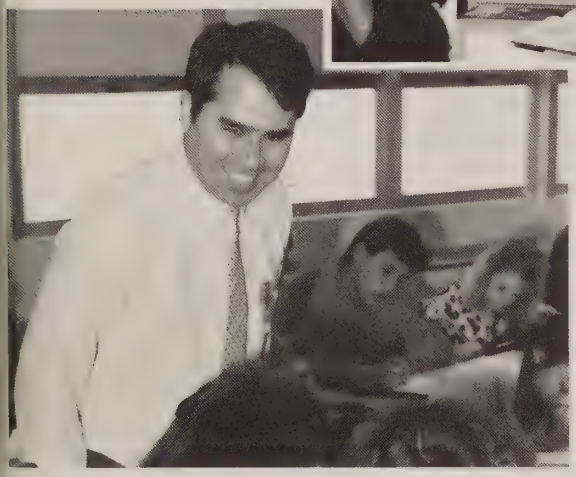
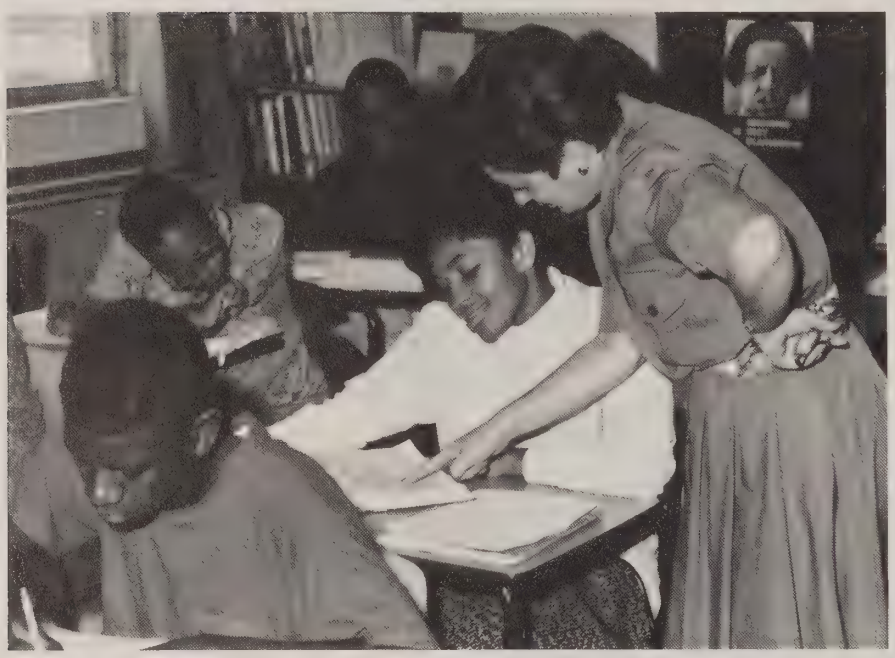
Mr. Hamden works together with Eugene Patton and Ann Eure to solve the secret of earth science.



Mr. Hayes and Ruthie Harris, along with Pat Epps get the basics of Physics.

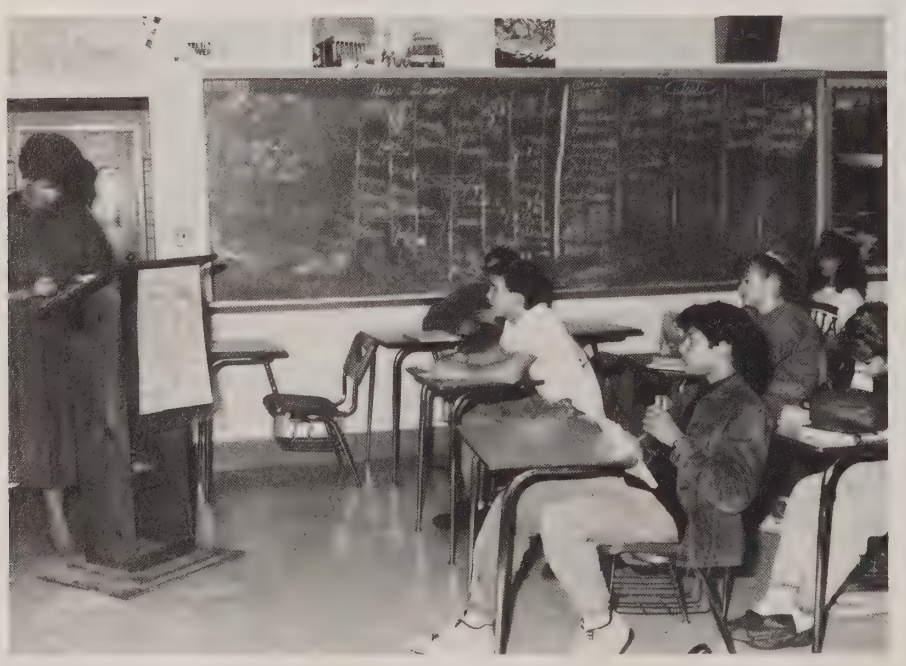
Sandy Powers calls on Mrs. Dunlap to assist her with her classwork.

THE PAST, THE



Being able to read a map correctly is extremely important in World Geography. Mrs. Slagle shows Felicia Thomas the proper procedure.

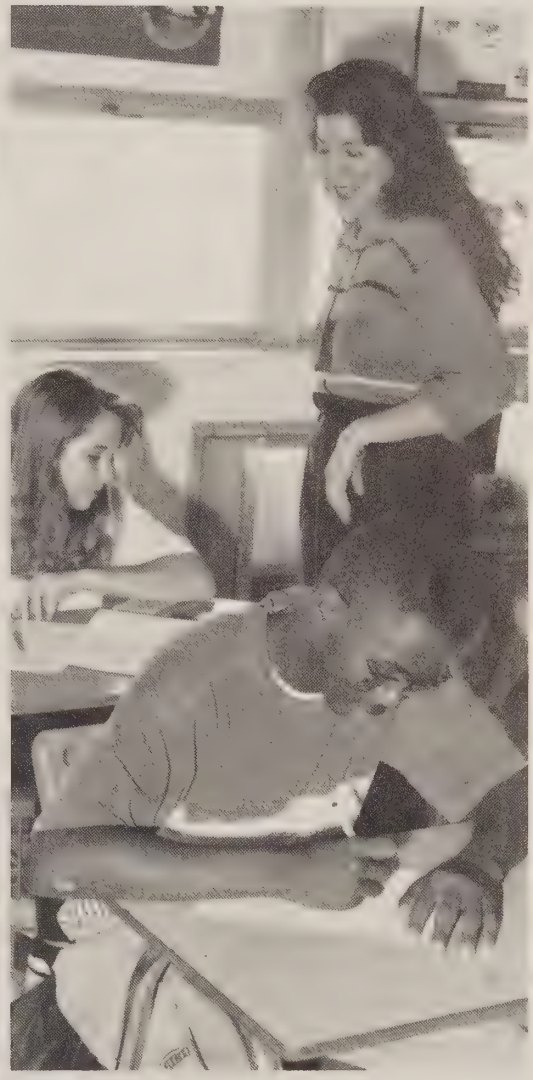
Teaching can be exhausting. Mrs. Longerbeam is caught in the act as she tries to catch her breath.



Mrs. Bouck's class is concentrating very hard on what she is saying so they can learn and do well in the "real" world.

PRESENT & THE FUTURE

Mrs. Bouck shows us how to ignore a photographer and keep on teaching.

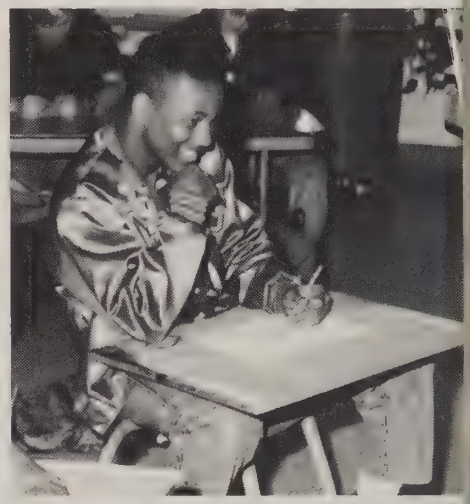


Mrs. Stroh watches over Dena Mitchell to make sure she's working to her full abilities and doing it correctly.

Mr. Whipp helps Thomas Cameron figure out how to preserve the past, do his best in the present, and prepare for the future.

Fine Arts at HHS

This sure looks like a strange bunch. They're demonstrating the many roles you play in drama.



Lawrence Edmonds seems to be having a great time in art class. Could this be a self portrait?

There's a lot more to singing than it looks. Girls Glee Club practice and practice to get it right.

Sometimes art can be really interesting. Mrs. Whitlock does it so well and we love the sweatshirt!

I thought drama was supposed to be serious. Cristy Lewis proves this theory wrong! What's so funny Mr. Mac?

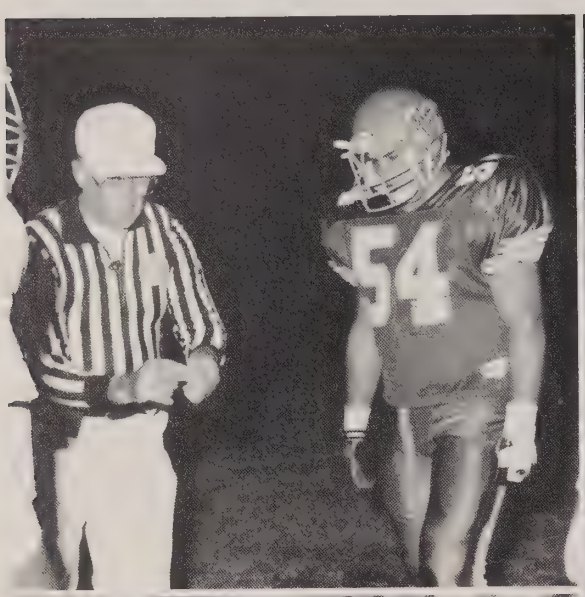
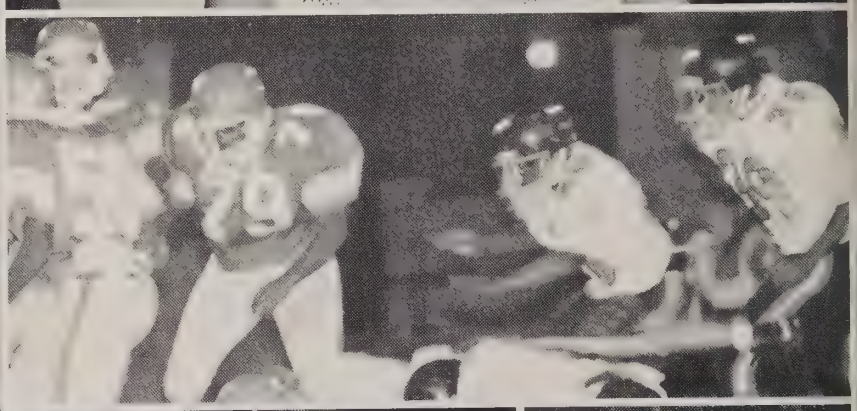
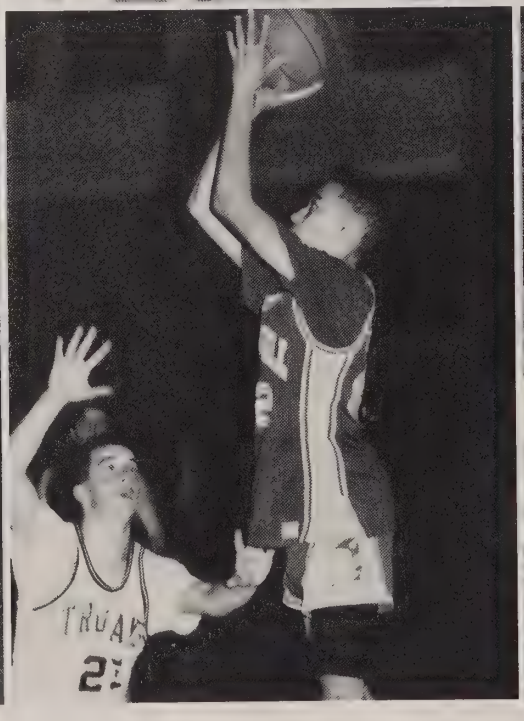
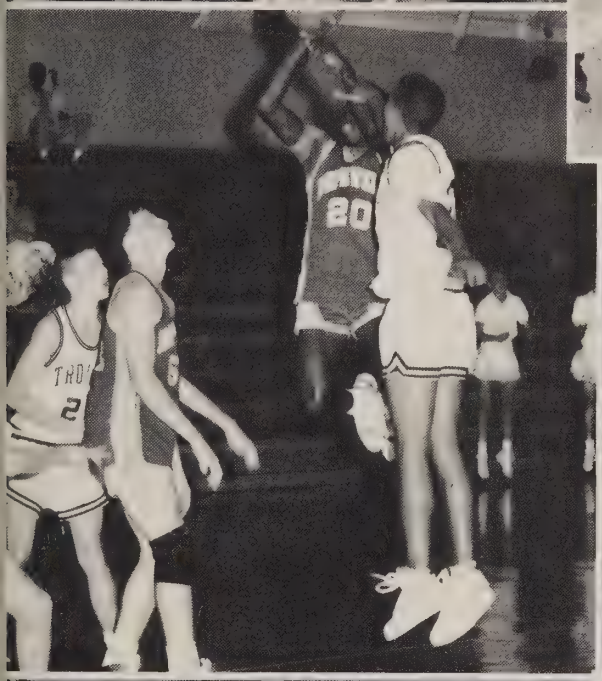
SPORTS, SPORTS,

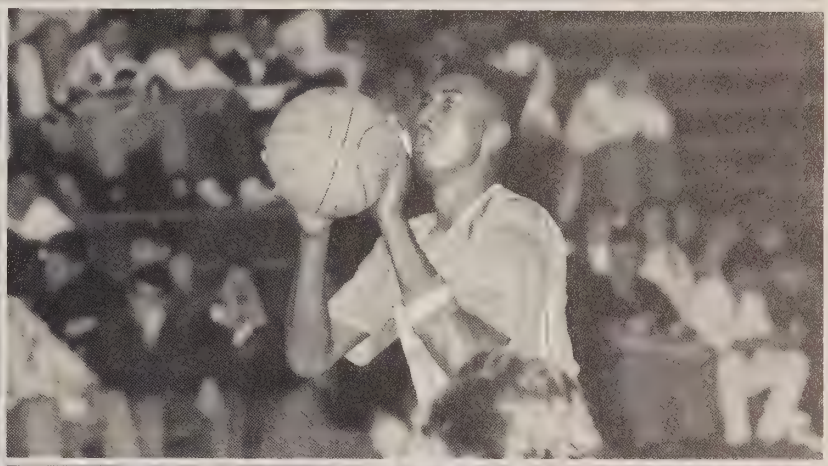


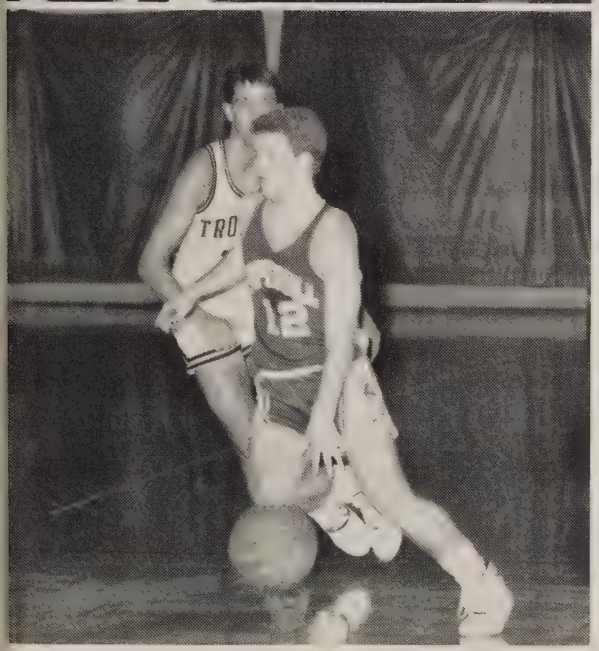




SPORTS, SPORTS . . .







Hopewell Hall

FRONT ROW: Mike Robbins, Wiley Burgess, Mike Black, Kenny Hartsell, Doug Price. **SECOND ROW:** Jamie Saunders, Glen Hadden, Lanier Hunter, Paul Adams, Chris Barron, Jerry Vick. **BACK ROW:** Angie Stanley, Coach Ricky Saunders, Jarrat Bowen, Shawn Ridout, Jerry Warren, Coach Bobby Pershing.

Watching the game is just as important as playing. Shawn Ridout, Paul Adams, and Jerry Warren are keeping score.

Getting warmed up releases tension. Kenny Hartsell releases some before he goes to bat.

Of Fame!!!

Hopewell Hall of Fame is what you could call our 1990 Varsity Baseball Team. The high spirits of this team lead them to an exceptional season. Lanier Hunter, Kenny Hartsell, Wiley Burgess, and Mike Black, all captains, were the leaders of this Blue Devil Family. Baseball is a sport, but also a treasure of your life. You and your best buddies playing as one and you all are equal is the most exciting experience. Baseball allows this to happen. We need to give a big hand to the team for their time and dedication. Our hats are off to you for an outstanding job this season.

— Mary Harris

Pulling together before a game is crucial. Mike Black, one of the captains, puts strength in his team.

Practice always makes perfect. Jarratt Bowen is practicing his batting skills for the next game.

Being the catcher isn't an easy job. Jamie Saunders makes sure his equipment is just right for no errors in the game.

High

The 1990 Varsity Softball Team played with high spirits at all the games. They really had an outstanding season of hard work and winning smiles. These girls showed other teams that winning or losing isn't the case. Having fun is more important. Did these girls ever have fun? Boy, did they ever. Next time you see a very high spirited varsity softball player just ask them how great it is and where to try out. Congratulations to you all for a spirited and very well played season.

— Mary Harris

The high technology of machines has helped sports in a lot of ways. Vickie Baum use the pitching machine for high tech practice.

Time to talk to your players is a valuable moment. Coach Jane Carlson tells the hig spirited girls their doing great.

Spirited Girls

FRONT ROW: Timika Wilson, Christine Drumheller, Tammy Gay, Angie McCormick, Robin Moore. **BACK ROW:** Coach Jane Carlson, Beverly Keen, Rhonda Dayvault, Serena Corbett, Vickie Baum, Amy Powroznick, Ashley Havard, Chrissy O'Rouke, Marcia Lizama, Julie Taylor.

Getting the feel of the bat before you hit is highly suggested. Serena Corbett is getting ready to hit a home run.

Softball can be lots of fun. Beverly Keen feels the time is right to show some Blue Devil hysteria.

Keeping on

FRONT: Glen Buyalos, Rochelle Smith, Shelby Washington, Krystal Bailey, Katina Cooper, Evelyn Cruz, Tonya Peterson, Michelle Smith, Ernest Howell. **SECOND ROW:** Lee Edmonds, Danielle Bridgeforth, Peggy Tyler, Princess Moore, Ravonda Ward, Jackie Pelham, Nicole Littlejohn, Jannon Hearn, Tammy Bell, Steven Curtis, Nikki Wilson. **THIRD ROW:** Coach Royce Hart, Frances Johnson, Demond Jamison, Leon Gholson, Curtis Graves, Keith Martin, Timothy Collins, Matt High, Micheal Howard, Frank Graves, Marcus Feild, Eddie Pena, Aubrey Taylor, Assistant Coaches Carmel Draper, Sarah Boxler.

Keeping on Track is very hard for Coach Royce Hart. He is the assistant principal of our school and the head coach for the track team. He deserves a big hand for his abundant amount of help to this school in all ways. He doesn't do this alone. Special appreciation to his assistant coaches Sarah Boxler and Carmel Draper, his managers Frances Johnson, Nikki Wilson and Leon Gholson. The most important factor of the track team is the people on it and their drive to win and be the best that they can be. For this the 1989 Track team deserves a standing ovation for all the hard workers, high spirits and determination. WAY TO GO!!!

A coach has to put at least 95 percent of his effort into the team. Here Mr. Hart pushes a wheelbarrow and gives at least 110 percent of his effort.

TRACK!!

FRONT ROW: Leon Gholson, Keith Martin, Lee Edmonds, Glen Buyalos, Ernest Howell, Assistant Coach Carmel Draper. **BACK ROW:** Coach Royce Hart, Nikki Wilson, Frank Graves, Curtis Graves, Micheal Howard, Aubrey Taylor, Marcus Feild, Eddie Pena, Tim Collins, Frances Johnson, Assistant Coach Sarah Boxler.

FRONT ROW: Krystal Bailey, Katina Cooper, Evelyn Cruz, Tonya Peterson, Michelle Smith. **SECOND ROW:** Assistant Coach Carmel Draper, Princess Moore, Rovanda Ward, Rochelle Smith, Shelby Washington, Janon Hearn, Nikki Wilson. **BACK ROW:** Coach Royce Hart, Frances Johnson, Danielle Bridgeforth, Peggy Tyler, Jackie Pelham, Nicole Littlejohn, Tammy Bell, Assistant Coach Sarah Boxler.

Winning is not the most important thing in the world. Princess Moore sure knows that, but as we can see she is on her way to victory.

Keeping a straight look is hard to do when you are having fun. As these guys from Hopewell run the race, the look on their faces is priceless.

JUST YOUR BASIC SOCCER PLAYER

Have you ever seen Chris Wells? Well, if you haven't here are some places to look. He is a member of the soccer team, Beta Club, AIASA, and Latin Club. He is also in many outside activities playing all sports he possibly can in the community. Anything you can name he either plays or knows how to play. Being an active member of his church helps him get all the background of life and happiness he will ever need. Many people have different reasons for playing sports. Chris says, "I am not an all star or anything, but when I practice I feel better, and it's fun to play." You might be thinking, "How could someone be so interested in soccer?" Well you see Chris has been playing since age five. Soccer has been the major sport in Chris' life because he has practiced it the most, and feels confident about his soccer ability. "Playing soccer to me helps me get away from everything because you concentrate on the game alone. It really helps, especially when I'm stressed out!"

Q — "What is so important to you about sports?"

A — "It's my life!!! Some sports are played by yourself, such as tennis, but soccer is played with a team, and I learn more about myself."

Winning is important to everyone, but Chris feels that even if he doesn't win, he has accomplished something great within himself. "If there were no sports in the world, I don't know what I would do because everything I do is SPORTS!!!"

Q — "Do you feel you are good, average, or just-stay-at-home BAD on your soccer team?"

A — "Well, seriously, I think I'm pretty average at everything I do (pretty modest, huh) I used to think I was good, but coming to the high school and being on the varsity team, the competition is pretty rough."

Come on, we all know that if a freshman is on the varsity soccer team, or any varsity team for that matter, he must be pretty darn good!!!

Mary Katherine Harris

FANCY FOOTWORK!

FRONT ROW: Michael Eckstein, Chris Brown, Marty Carico, Richard Hogland, David Smithson, Robert Christianson, Michael Chambers, Andy High, Michael Hughes. **SECOND ROW:** Kathy Johnstone, Chris Wells, Mike Rozier, Steven Stallings, Scott Blackmon, Wayne Sexton, Brian Cabinass, Phillip Dauksys, Tony Coward, Coach Brian O'Niel.

"AWW, JELLO!" says David Runyon, while Michael Rozier plays the defensive with Dave.

Faster than lightning, David Runyon comes to recover the ball from Chris Wells. What speed, what agility, what a great soccer player!!! Who's got water?

Grass is the important part of soccer because it is what you play on. It works great.

Junior Varsity

FRONT ROW: Felicia Thomas, Robin Fletcher, Gloria Ramos, Joy Johnson, Amy Higginbottum, Melissa Rice, Nicole Harper, Tracy Bell. **BACK ROW:** Aaron Harper, Jamie Hibbard, Nikki Jack, Tina Bennet, Tyler Mahanney, Vickie Shrieves, Megan Foxworth, Stefanie Spears, Coach Lisa Holt, Abby Ellington.

Being a coach for anything isn't easy. Here you see Miss Holt out on the softball field and earlier in the season you saw her with the cheerleaders. She has a lot of help to go around!

Softball can be lots of fun especially when there are girls around. Here Nicole Harper is all smiles and dimples.

Spring Sports!

BLUE DEVILS DRIVEN

The football players were asked two questions except for the seniors who were asked three. The questions were: What do you like most about being a Hopewell Football player? How do you feel the team did this season? Seniors: Are you trying to play college football? These guys answered with ease.

"The pride and the tradition of being a Blue Devil. Being looked up to as a role model from the younger kids both on and off the field. I think we did real good this season for the size we had and our schedule. We were counted out before the season even started and we went 7-3 and beat two of the top teams in the region. Two of our losses were by one point. I would also like to mention we missed the playoffs by 2 points on the VHSL ratings. Yes, I am trying to play college football."

— Billy Ellis

"What I like the most is that Hopewell has a tradition of good football teams and I was able to carry the tradition on. Also I liked when we had home games because I just love when we come down the stairs onto the field and the crowd starts to yell. I felt that our team did great this season. We were less than 3 points from making the playoffs."

— Brian Thomas

"The things I like about being a Hopewell football player is playing for Coach Parker and the rest of the staff. They taught us the importance of the game. I feel the team did fairly well. We should have made it to the playoffs. The team feels that we did our best and did our best for all of the seniors." — Frank Graves

"I feel very good about myself and the other members on the team to be able to represent Hopewell High School in football. Out of any sport I like best is football. It is good discipline and it brings out the man in you, but it takes time and effort. You have to want to be the best. Another thing about playing for Hopewell is everyone wants to beat you because they know you are the best!"

— Emanuel Craighead

"I like to run the football against other people. I love to run opponents over. When you are a Hopewell Blue Devil football player, many kids that may be upcoming players look up to you. I feel we had a pretty good season this year. I definitely am trying to play college football."

— Marcus Field

FRONT ROW: Mike Brichett, Charles Goniwicha, Marcus Field, Travis Ellington, Aubrey Taylor, Billy Ellis, Lanier Hunter, Steve Spears, Curtis Graves, Jerry Pakawan, Wayne Wydell, Rico Johnson. **SECOND ROW:** Glen Hayes, Brad Williams, Emanuel Craighead, John Yates, Demond Jamison, Lafayette Thomas, Golden Brown, Kedward Ringer, Craig Irvin, Frank Graves, Brian Thomas, Donald Jones, Derrick Hill, MGR Vance Johnson. **THIRD ROW:** MGR Kevin Morris, Chris Brown, Anthony Taylor, Don Vreeland, Paul Belcher, Micheal Howard, Matt Jackson, Ottis Henry, Derrick Ross, Tim Boyette, Kris Daniels, Jeff Turner, MGR Toma Brown. **LAST ROW:** Coach B. Pershing, Coach J. Denzler, Coach H. Henderson, Head Coach M. Parker, Coach C. Whitfield, Coach R. Saunders, Coach V. Johnson, Coach S. "Vanilla Ice" Hart.

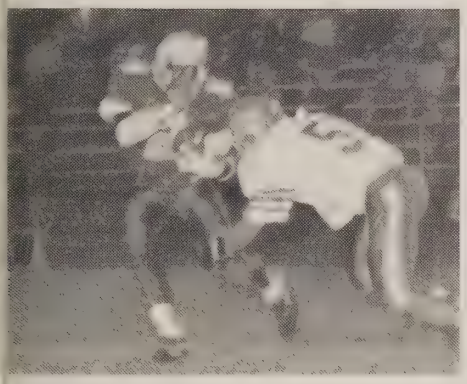
Making quick moment actions is all in the game of football. Lanier Hunter, co-captain, is always on the move.

Getting the guys in line is a tough decision. But quarterback Billy Ellis and center Donald Jones make a good decision for a touchdown.

BY DETERMINATION

Staying ahead of the other team is always the best. Of course, the Blue Devils are the best and Jerry Packawan is running the ball for six.

Captains greet the other team with a polite, well mannered, enthusiastic attitude. Here are co-captains Lanier Hunter, Billy Ellis, and Steve Spears.



When the other team has the ball and is running for the goal the only word you know is tackle. Joe Kuhns puts all his force in his tackle.

Cheerleaders always show their spirit for their team. The Blue Devils run through the sign and get psyched for the game.

The Hopewell High School Blue Devil football team had a very good season. They defeated two of the top high schools around. Coach Denzler was asked how he felt the football players did this season. His answer was "I thought that the players and the coaches did an excellent job. The players were able to race to the challenge, almost on every occasion. I had no idea that at the beginning of the season we would end up with a 7 and 3 record. These young men did a great job on and off the playing field. I was really proud to have been associated with this staff and team." Well Mr. Denzler sums it all up, the season was a great one! — Mary Katherine Harris

"What I like most about being a football player is the respect you earn on and off the field. When you go to other schools and people know your name and number it makes you feel a feeling of accomplishment." — Curtis Graves

"The reason our team did as well as they did is because we are a team. We had some all-state possibilities this year, but they didn't take all the credit. The ones that stood out the most said it is the team. One person can win a game. I will leave it at this, will be back next year but we will be a little BIGGER!" — John Yates

"Being a Hopewell football player it is like a gift because all the coaches try their best to make you the best and the team also." — Kedward Ringer

"The things I like about being a football player is the team spirit, unity, and the urge to win. I feel the team had a good season. They should have went further, but it was still a good year." — Jeff Turner

"The thing I like most is the fun times the team had as a whole. Eating before games, on the bus, after the big wins. We had one of a season this year." — Paul Belcher

"What I like most about being a football player is being part of a long time tradition. Being part of a "Family." I think the football team had an excellent season this year and I also think the coaches did a great job with the team." — Jerry Packawan

HOPEWELL GIRLS

FRONT ROW: April Stump, Susan Stallings, Mary Ginny Slagle, Jennifer Sparkman, Coach Jane Carlson. **SECOND ROW:** Tiffany Cox, Felicia Thomas, Tyler Mahaney, Nikki Wilson, Natasha Leggett, Evelyn Cruz. **BACK ROW:** Manager Abby Ellington, Anne Eure, Ruth Bennett, Nikki Jack, Amanda Davis, Aaron Harper, Rebecca Slagle, Sheila Stallings, Crystal Bell, Nicole Harper, Manager Stephanie Miller, Manager Tonya Stevens.

The Field Hockey Team at Hopewell High School has had an energetic and fulfilling season this year. They strived and got the job done to perfection. These girls are so confident of themselves that this year, for the first time ever, they played the senior football players in a field hockey game. Who won, well who do you think? THE GIRLS.

— Mary Harris

Here at Hopewell High there are many girls who play field hockey. It is a very popular sport. As you can see Jennifer Sparkman, Nicole Harper, Sheila Stallings, and Crystal Bell go for the goal. — Photos by R. Thomas Rhodes

AT THEIR BEST

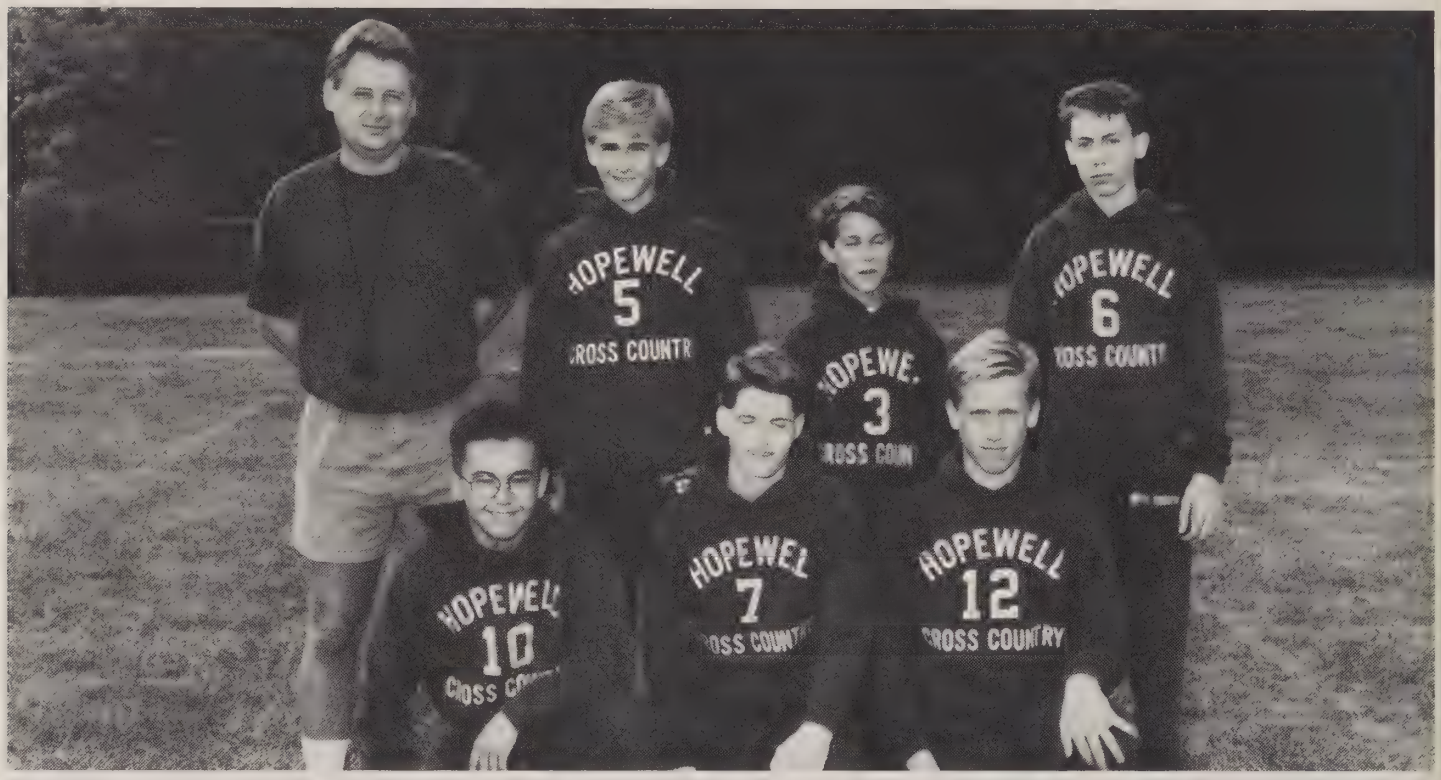
Being a senior has got to be the best thing in the world, well, at least seniors think so. On the Hopewell High School field hockey team, there are five seniors who have just finished their last season as a field hockey player. Good luck to you, girls, and best wishes in the years to come.

Getting your team to stick together is the key to any sport. Here all you can see are people from Hopewell and one opposing player. Get them, Blue Devils.

Throwing yourself into the game is possible. Here Nikki Jack gives it all she's got.

Field hockey is a game of running and quick thinking. Nicole Harper runs to help out the team.

MAKING THE DISTANCE



FRONT ROW: Lee Edmonds, Curtis Montgomery, Andy High. **BACK ROW:** Coach Frank Whipp, Chris Jenkins, Jimmy Riddle, Jerry Pappas.

MAKING THE DISTANCE

This year's cross-country team has had a very exceptional season. Who could make better captains than Lee Edmonds, Andy High, and Curtis Montgomery? Making the distance, not just in sports, but in academics, is very important to these guys. Coach Frank Whipp teaches important values on life and performing one's best. So next time you see a cross-country member don't think of their making the distance in their sport, but also in the spectrum of life.

— Mary Katherine Harris

Making the distance is important to cross-country members as you can see Jerry Pappas goes for the gold.

ALL TOGETHER AS ONE!

AWW MAN, my shoestring came undone!!! Chris Jenkins is a professional at tying his shoes, for they never come untied during a match.

Chris Jenkins and Jimmy Riddle line up and await the gun to crush the Blue Devil opposition. Go Devils!!!

Unlimited Potential

FRONT ROW: Coach Bob Witherow, Heath Dye, Mike Ferrarro, Andy Casey. **BACK ROW:** Steven Stallings, Robbie Hare, Matthew Hunt.

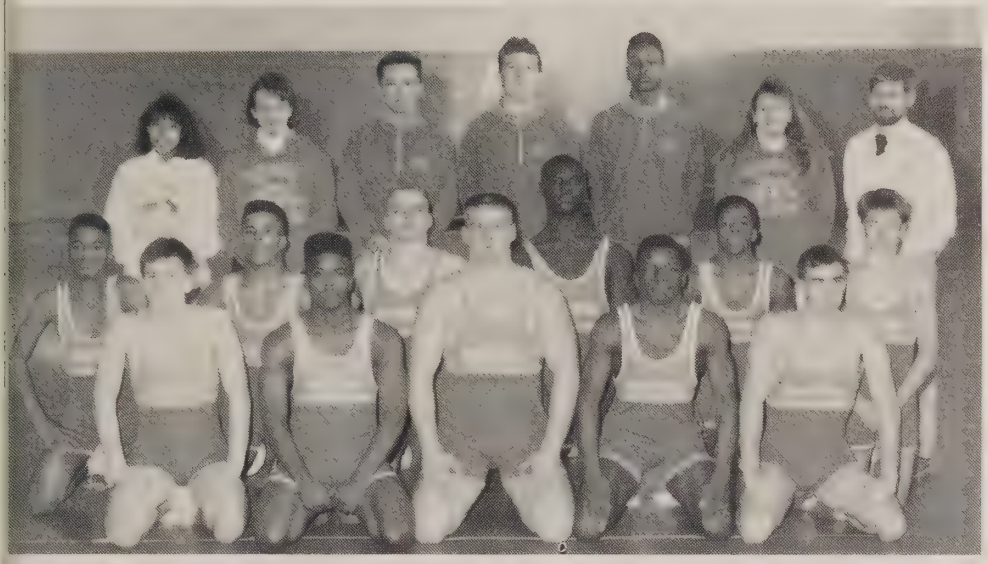
Making motions in the correct order is the way to win. Heath Dye has the look and motion for a hole in one.

Flying, flying, flying, away and it's in. Andy Casey swings with enthusiasm and great pride.

Walking is part of the sport of golf. Robbie Hare carries his clubs on a long journey.

Stance is an important factor in the game of golf. Mike Ferarro stands with great agility.

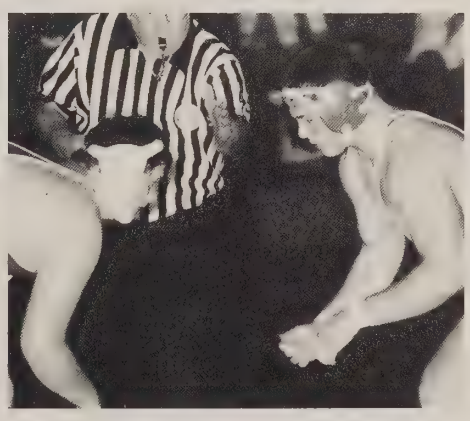
CAN'T PIN THIS!



FRONT ROW: David Anderson, Ronnie Hayes, Billy Ellis, Andre Earvin, Riley Ingram. **SECOND ROW:** Chris Speight, Glen Hayes, Pete Pettry, Anthony Taylor, Emanuel Craighead, Chris Wells. **BACK ROW:** MGR Gloria Ramos, MGR Jenny Coleman, Lee Edmonds, Joey Howington, Rudolph Jamison, MGR Jennifer Anderson, Coach Ray Ward.

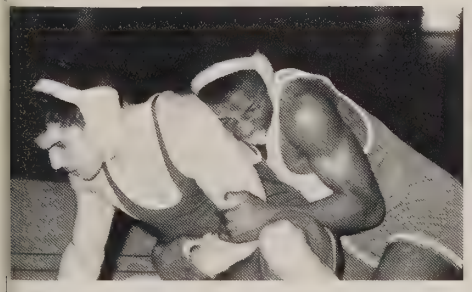
Sometimes in wrestling you see weird motions. Chris Speight sure does have his opponent in an awkward position but it looks very effective towards the match.

Being on a team is a fabulous feeling. Here Riley Ingram, Glenn Hayes and the rest of the guys loosen up by joking off.

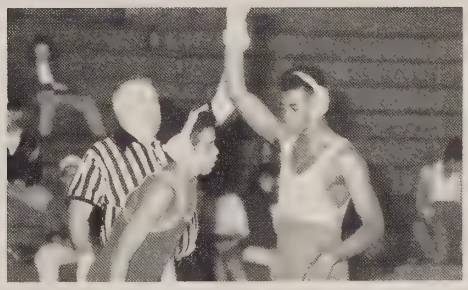


When the whistle sounds the match will begin. Billy Ellis concentrates on his opponent to get key points on his strategy for the match.

Feeling confident and good about yourself always turns out for the good. Ronnie Hayes is on top of his match. Way to go!!



A Blue Devil might get stuck sometimes in different ways. Apparently Andre Earvin thinks a HUG might work in his case.



As the time runs out the match thickens. Who will win? Well it is just like this top athlete Donald Jones to win the match.

Pounding your opponent to the floor or dropping him on his head might help the match in your favor. Glenn Hayes has this match all under control.

JUNIOR VARSITY

FRONT ROW: Carlos Robinson, John Newman, John Doane, Louis Tyler, Jeff Turner, Frank Graves, Ivan Cruz, Greg Hall. **SECOND ROW:** Kevin McBride, Tim Tyler, Chris Pippin, Shannon Rpyster, Eric Wells, Jason Coker, Antonie Shands, Miles Morris, Travis Powroznik. **THIRD ROW:** Shawn Freeman, Justin Hale, Chuck Sloan, Alfrado Gracia, Terry Perrine, Carl McBride, Mike Hebron, Shawn Sinclair, Rudolph. **FOURTH ROW:** Donny Lopez, Lawrence Edmonds, George Thomas, Lance Costly, J. Making a touchdown is what wins the game. Jeff Turner a very strong player for the junior varsity team. He also plays varsity football. All the football players have potential to be the best. The JV season was an extraordinary one and we are very proud of the team. Also Coach Saunders did a great job!

FOOTBALL 1990

Helping the other members out is what teamwork is all about. Alfrado Gracia stands by in case a team member needs help.

When the junior varsity Blue Devils played Colonial Heights, we had them surrounded in all ways.

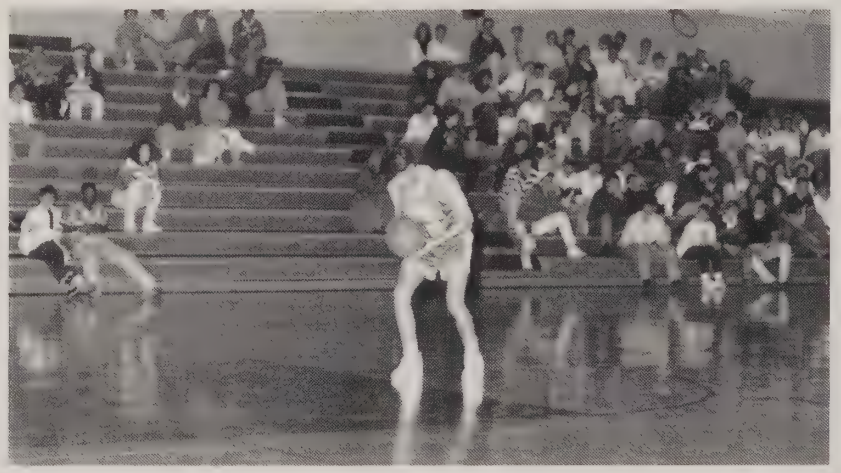
DRIBBLE THAT BALL

BASKETBALL

FRONT ROW: Coach Greg McCray, Captain Jimmy Bowman, Coach Bill Littlepage. **BACK ROW:** Lanier Hunter, James Pelham, Andy Casey, Sam Pettaway, Micheal Howard, Matt Jackson, Jarratt Bowen, Otis Henry, Melando Brown, Jerry Warren, Travis Williams, Craig Irvin.



The Hopewell High School varsity basketball team has had an outrageous season. The excitement builds throughout the game and your heart races in the end. Cheerleaders are shouting, "We want two, gotta have two!" Can they make the winning basket? The Blue Devils have dribbled the ball to the hoop for numerous winning games. The crowd loves the tension and excitement. The guys did a great job. Dribble that ball, shoot, shoot, take that ball to the hoop, hoop!!

— Mary Katherine Harris

TAKE THAT BALL

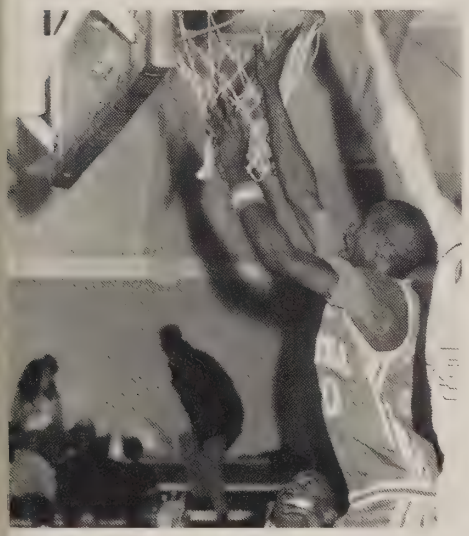
ON THE REBOUND TO SUCCESS

SHOOT SHOOT

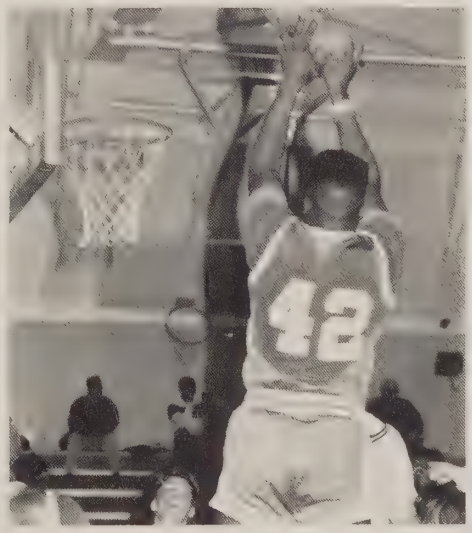
Wow! What an awesome shot. Who else could have made that excellent shot, but Jumpin' Jimmy Bowman.

Up, Up, over, in! Come on Devils put it in!

James Pelham is a tenth grader and plays for the varsity team. This guy has got potential.



Sometimes the first time you shoot it does not go in. So, Sam Pettaway tries for another shot and Jimmy Bowman is there to back him up.



Micheal Howard has been a major force on the basketball team since he first came here. Here he is going for another basket.

Playing basketball is so ground lifting. As you can see here Powerful Sam Pettaway is lifted off his feet for two points.

The exhaustion of basketball can be overwhelming. Christa McDougal is so spirited she is knocked off her feet.

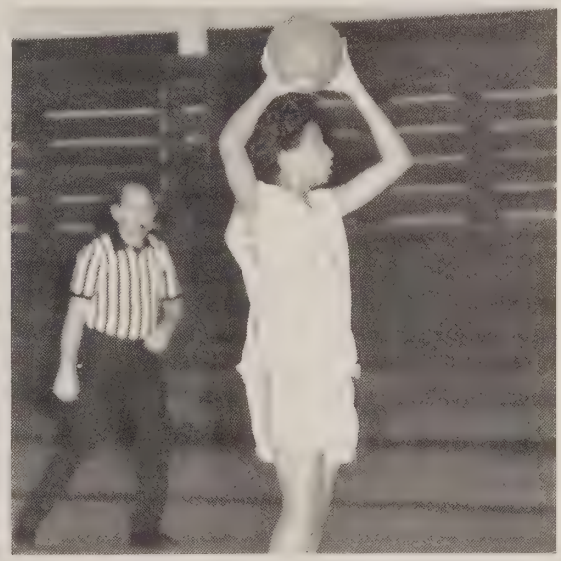
Playing basketball is the most exciting thing. Vannessa DelArosa keeps a grin on her face and a hold on the ball.

GIRLS HAD FUN, TOO

Agility is important in the name of the game. Felecia Thomas dribbles the ball for two.

The last minute pep talk is always relaxing. Coach Broner tells the girls to do the best they can.

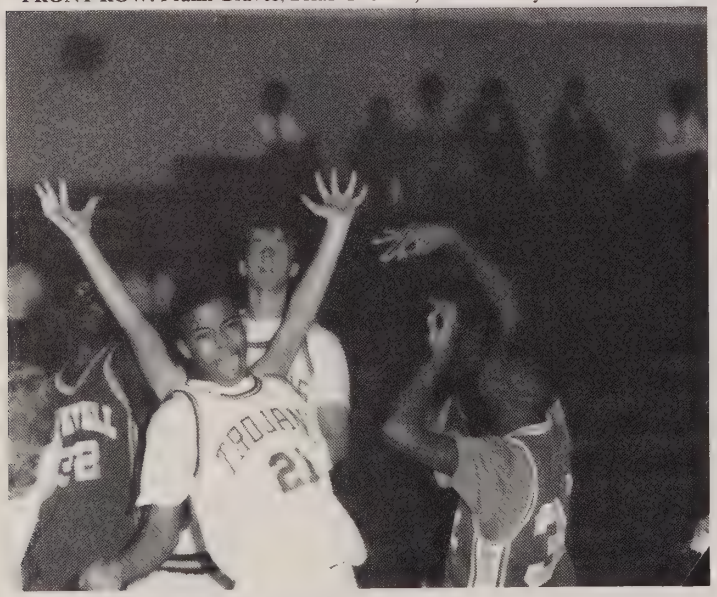
Jump ball jump ball get it get it! Vickie Baum tips the ball for the Hopewell side.



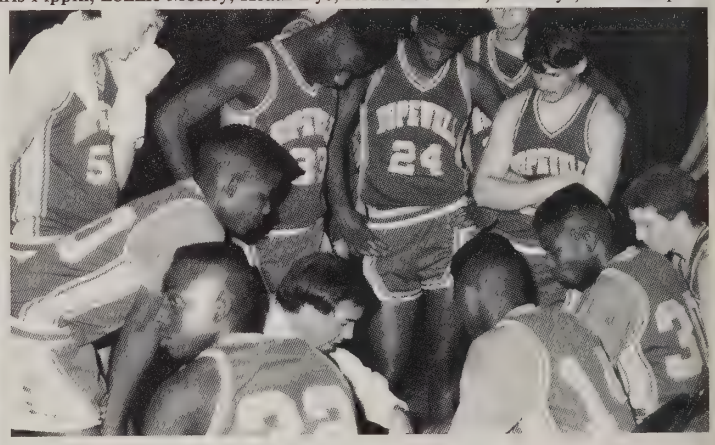
The decision of who to throw the ball to is crucial. Jackie Pelham is seeing who is open and who is not.

JV FALL SPORTS

FRONT ROW: Frank Graves, Brian Thomas, Shannon Royster. **BACK ROW:** Chris Pippin, Lonnie Mosley, Heath Dye, Ronnie Johnson, Seth Dye, James Pope.



The funny things guys do in basketball. This opponent is flabbergasted by the Blue Devil team.



This year's Junior Varsity basketball team had a really great season. The team itself was great. Coach Marshall Parker helped the guys through the wins and losses. He was always there to teach them the next strategy and coach them through the game. Without the players we would not have done so well. These guys are growing up into fine young men and are ready for the challenge of the varsity team.

VARSITY CHEERLEADERS "JAM"

FRONT ROW: Pennie Lane, Stefanie Riddle, Caryn Creech, Captain Pat Epps, Robin Fletcher, Tonya Peterson. **BACK ROW:** Ruthie Harris, Joy Erb, Jenny Coleman, Jennifer McFain, Co-captain Crystal Griffith, Co-captain Mary Harris, Coach Lisa Holt.

When most people think of a cheerleader they usually think of a dumb blonde. Well that is not true at Hopewell High. Pat Epps is secretary of the SCA, Crystal Griffith is treasurer of the junior class, Ruthie Harris is president of FBLA, and Mary Harris is treasurer of the SCA. All the girls have great accomplishments. They cheer their hearts out for the football players and are dedicated to more than three basketball games a week. The hard work put in by the cheerleaders pays off when they lead the teams to victory.

At the Pep Rallies the cheerleaders dance and jump around. The one time these three seniors, Tonya Peterson, Ruthie Harris, and Caryn Creech get to rest is when the JV cheerleaders perform.

A Spunky Junior Varsity Squad

Pep rallies give JV cheerleaders a chance to strut their stuff.

Angela Hodge, captain and Angela Miller stand proud and cheer on the sophomore class.

To the Graduating Class of 91 from Sgt. Ellis:

I want to congratulate the senior class on an outstanding job in the classroom and on the athletic field. However, your work is not complete because the Class of 91 has a long road ahead.

As the Senior Class of 91 embarks on the road of success, here are a few words of wisdom:

1. Honor your mother and father
2. Never forget about others in your community (it's nice to be important, but it's more important to be nice)
3. Never quit; no matter how tough things seem

CALL ME

If you would like to improve your life style.

If you could use between $10,800.00 to $25,200.00 for college expenses. If you would like to get a cash bonus from $2,000.00 to $8,000.00. If you desire technical and/or skill training.

Pharmacist remembers when.

One prescription conflicts with another . . . Your allergy can cause a drug reaction . . . Foods don't mix with the drugs you take . . .

We never forget that a single Pill can cause a drug interaction. Even death. Not a dangerous narcotic or tranquilizer . . . Just a simple Pill.

REFLECTIONS

A kaleidoscope is always changing. The Hopewell High School Kaleidoscope changes from year to year. The 1990-91 school year has been a year of changes. The change from one sponsor to another and from a staff with knowledge to a brand new staff. The staff consisted of seven members, three who were returning "yearbookies." As a senior, the school year has brought to me many expectations. The expectation of graduation day, and my dreams of becoming a doctor of veterinary medicine. The staff has been very dedicated. We met all deadlines and anxiously awaited the arrival of the bound yearbook. Creativity ran high among the staff around layout time. This has been a very successful year, and I hope that everyone looks on this year as a year of changes.

Changes have occurred around the world as well as in the city of Hopewell. A world changing event is the Persian Gulf Crisis. Students around the world have encouraged as well as disagreed with the reasons for being in the Gulf. Students of Hopewell High School pulled the Christmas Tree out of the attic to put it to a positive use. The tree was turned into a patriotic tree. Yellow ribbons, flags, and yellow hearts with the names of loved ones in the Persian Gulf decorated the tree. It has been said that the tree will not come down until the troops come home. Thank you to all those who have stood behind and beside the men and women now serving for the United States Armed Forces. Thank you to everyone for making my job a little easier as the editor. I wish everyone the best of luck. Go for your goals and may you reach them someday.

Sincerely,

Ruthie Harris
